Interviews with the Disney artist who created Scrooge McDuck and many well-loved comic books Disney artist Carl Barks (1901-2000) created one of Walt Disney's most famous characters, Scrooge McDuck. Barks also produced more than 500 comic book stories. His work is ranked among the most widely circulated, best-loved, and most influential of all comic book art. Although the images he created are known virtually everywhere, Barks was an isolated storyteller, living in the desert of California and preferring to labor without public fanfare during most of his career. He created work of such exceptional quality that he was accorded the greatest autonomy of any Disney artist. He is the only comic book artist ever to receive a Disney Legends award. The influence of Barks's work on such filmmakers as George Lucas and Steven Spielberg and on such artists as Gottfried Helnwein has extended Barks's significance far beyond the boundaries of comics. After Barks's death at the age of ninety-nine, Roy Disney praised him for his "brilliant artistic vision." Carl Barks: Conversations is the only comprehensive collection of Barks's interviews. It ranges chronologically from the very first one (with Malcolm Willits, the fan who uncovered Barks's identity) to the artist's final conversations with Donald Ault in the summer of 2000. In between are interviews conducted by J. Michael Barrier, Edward Summer, Bruce Hamilton, and others. Several of these interviews are published here for the first time. Ault's friendship with Barks, ranging over a period of thirty years, provides an unusually intimate resource not only for standard q&a interviews but also for casual conversations in informal settings. Carl Barks: Conversations reveals previously unknown information about the life, times, and opinions of one of the master storytellers of the twentieth century. Donald Ault, a professor of English at the University of Florida, is the author of Narrative Unbound: Re-Visioning William Blake's The Four Zoas and Visionary Physics: Blake's Response to Newton. His work has been published in Studies in Romanticism, The Wordsworth Circle, Modern Philology, and The Comics Journal.

The book contains the proceedings of the 14th International Symposium on Capture Gamma-Ray Spectroscopy and Related Topics held at the University of Guelph from August 28 through September 2, 2011. The proceedings cover topics of nuclear structure, nuclear reactions, nuclear astrophysics, fundamental symmetries in nuclei, statistical aspects of nuclei, and new techniques and applications, from forefront researchers in their fields.

Selected conference papers of Indian History and Culture Society held at M.J.P. Rohilkhand University, 1993.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I ' ve ever met in my life. I know you think that you ' re God ' s gift to women, but I have a secret to let you in on: you ' re not. You ' re God ' s gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn ' t mean you ' re the smartest man in the world. In fact, I ' m not even sure if you woul have gotten in if you didn ' t have rich parents. Yes, I went there. Every woman doesn ' t want to sleep with you and I ' m sure you ' re not even good in bed. And I ' m someone that would know. From, Your Secret Not Admirer

Fifth-grader Nina Zabin happens upon a strange powder that causes events in her life to change, and not always for the better, as the school's Brain Buster Extravaganza approaches and she takes her best friend's place as representative for their class.

It ' s a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret " play" room in the basement. Never mind that she ' s never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can ' t stay…

love comes in many colors. this is a story of breaking and healing, of forgiving but not forgetting, of understanding and balance. it is not only something to enjoy, but something to learn from. here are the things i did right, and the many things i did wrong. i give them to you, so that when love comes knocking, you will have a sense of what to do when you open the door. Explore the experience of six different relationships in this moving collection that dives into the highs and lows of love.

Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of Miss Julia Paints the Town.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys ' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Goodnight Mysteries: Book 1 - 3 The Goodnight Mysteries series is the small-town mystery romance spinoff of the Matchmaker Mysteries. Goodnight…Sometimes sweet dreams end in murder. * Die Noon * Matilda Dare can ' t sleep. Her insomnia is one more reason to move to the quirky small town of Goodnight, New Mexico after she inherits a house, a small newspaper, and two old dogs there. But despite the Goodnight name, Matilda still spends her nights wide awake, and she has good reason after a reporter is murdered. With a mystery to solve, she begins to investigate the town and uncovers more suspects than she knows what to do with. Meanwhile, the hottie cowboy sheriff is doing his own investigation into Matilda, and the mysterious, handsome stranger, who just happens to live with her, is showing up in all the wrong places. As her investigation continues, danger increases, and it might end up spelling lights out for Matilda. * A Doom with a View * Matilda Dare still can ' t sleep. Since she ' s arrived in Goodnight, New Mexico, she ' s solved one murder and had more than one conversation with a dead woman. Obsessed with finding the woman ' s killer, she has to put that on hold when her newspaper receives a mysterious, coded letter. When the author of the letter winds up dead, Matilda is thrust into a mystery that puts her new friends into danger. The hunky Sheriff Goodnight and Matilda ' s hunky roommate Boone are along for the ride in this funny action adventure that might end up spelling lights out for Matilda. * Jurassic Dark * Matilda Dare might be in a new relationship, but she ' s not sure. Ever since Boone kissed her, it ' s been up in the air if they ' re an item or not. Either way, she can ' t focus on romance for very long because one of her best friends has been accused of murder, and Matilda is bound and determined to prove her innocence. Matilda and Boone find themselves on the trail of the real killer out in the wilds of New Mexico. But as they ' re pursuing the killer, they ' re being pursued as well. * " Elise Sax will win your heart. " —New York Times bestselling author Jill Shalvis * " Sax will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out. " —New York Times bestselling author Christie Craig * " With quirky characters reminiscent of Janet Evanovich ' s Stephanie Plum series and a small-town heroine redolent of Charlaine Harris ' Sookie Stackhouse " --RT Book Reviews " Fans of laugh-out-loud romantic suspense will enjoy this new author as she joins the ranks of Janet Evanovich, Katie MacAllister, and Jennifer Crusie. " —Booklist, on An Affair to Dismember " A lighthearted and amusing caper with a sexy side order of romance . . . Gladie is an endearing mess of a character, and the book is fast-paced and amusing, with a large cast of quirky, small-town characters. " —Kirkus Reviews, on Matchpoint * " There ' s plenty for fans to enjoy in Sax ' s third Matchmaker installment, complete with energetic narration, zany humor and a mystery that ' s as engaging as the details of Gladie ' s love life. " —RT Book Reviews, on Love Game
