The D/W series was a line of pickup trucks that was sold by Dodge from October 1960 to September 30, 1993. The same basic design was retained until the October 1993 introduction of a completely redesigned Ram. The D/W series shared its AD platform with the Dodge Ramcharger/Plymouth Trail Duster twins. 4x2 models were designated D, while 4x4 models were designated W.

Yahoo Answers*

Mitchell sent this 1979 Dodge Lil' Red Express Pickup (YH6) to our attention. It is for sale in Edison, New Jersey, and listed here on craigslist for \$9,500. The odometer shows 57k miles and the body looks pretty solid even though the paint is faded. The truck needs a little work and is said to be accident free.
