Your trip to the tip will never be the same again... Ex-military man Paul Stafford has quickly settled back in to civilian life. But when his small recycling company beats the odds to win a contract to run five Hampshire waste tips, he finds himself up against a ruthless criminal gang who have relied on the tips as cover for their frightening catalogue of villainous activity. Desperate to keep their multi-million pound enterprise intact, the gang embark on a campaign of violence against Stafford and his employees, proving themselves willing to go to unimaginable lengths to regain control. A council executive disappears. Bombs, murder and mayhem are employed against Stafford, his workers and their families. But Stafford is made of stern stuff. Can he and his little company prevail against the lawless might of this international criminal syndicate?

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

This comprehensive manual covers the complete Toyota Prado range of vehicles. Detailed engine chapters covering all petrol/gasoline and diesel engines. It also covers the Hilux, 4 Runner and Surf mechanicals. Detailed comprehensive chapters cover the complete range of transmissions. The manual also covers all other aspects of the vehicle from changing a light globe through to complete vehicle pull down.&Comprehensive chapters covering diagnostics and troubleshooting and also includes complete electrical wiring diagrams for the entire vehicle. This comprehensive manual consists of over 500 pages of step by step instructions which will suite the DIY handyman through to the professional mechanic.
