When Josie Jensen, an awkward 13-year-old musical prodigy crashes headlong into new-comer Samuel Yazzie, an 18-year-old Navajo boy full of anger and confusion, an unlikely friendship blooms. Josie teaches Samuel about words, music and friendship, and along the way finds a kindred spirit. Upon graduation, Samuel abandons the sleepy, small town in search of a future and a life, leaving his young mentor behind. Many years go by and Samuel returns, finding his old friend in need of the very things she offered him years before. Their roles reversed, Samuel teaches Josie about life, love, and letting go. Deeply romantic and poignant, *Running Barefoot* is the story of a small town girl and a Native American boy, the ties that bind them to their homes and families, and the love that gives them wings.

If I tell you right up front, right in the beginning that I lost him, it will be easier for you to bear. You will know it's coming, and it will hurt. But you'll be able to prepare. Someone found him in a laundry basket at the Quick Wash, wrapped in a towel, a few hours old and close to death. They called him Baby Moses when they shared his story on the ten o'clock news - the little baby left in a basket at a dingy Laundromat, born to a crack addict and expected to have all sorts of problems. I imagined the crack baby, Moses, having a giant crack that ran down his body, like he'd been broken at birth. I knew that wasn't what the term meant, but the image stuck in my mind. Maybe the fact that he was broken drew me to him from the start. It all happened before I was born, and by the time I met Moses and my mom told me all about him, the story was old news and nobody wanted anything to do with him. People love babies, even sick babies. Even crack babies. But babies grow up to be kids, and kids grow up to be teenagers. Nobody wants a messed up teenager. And Moses was messed up. Moses was a law unto himself. But he was also strange and exotic and beautiful. To be with him would change my life in ways I could never have imagined. Maybe I should have stayed away. Maybe I should have listened. My mother warned me. Even Moses warned me. But I didn't stay away. And so begins a story of pain and promise, of heartache and healing, of life and death. A story of before and after, of new beginnings and never-endings. But most of all . . . a love story.

The silent epidemic of depression affects millions of people and takes dozens of lives everyday, while our culture grapples with a stigma against open discussion of mental health issues. Editor Amy Ferris has collected these stories to illuminate the truth behind that stigma and offer compassion, solidarity, and hope for all those who have struggled with depression. Contributors to *Shades of Blue* include: Barbara Abercrombie, Sherry Amatenstein, Regina Anavy, Chloe Caldwell, Jimmy Camp, Debra LoGuercio DeAngelo, Marika Rosenthal Delan, Hollye Dexter, Beverly Donofrio, Beth Bornstein Dunnington,

It's time to scream out loud against this silent annihilator: We are not alone.

Italy, 1943--Germany occupies much of the country, placing the Jewish population in grave danger during World War II. As children, Eva Rosselli and Angelo Bianco were raised like family but divided by circumstance and religion. As the years go by, the two find themselves falling in love. But the church calls to Angelo and, despite his deep feelings for Eva, he chooses the priesthood. Now, more than a decade later, Angelo is a Catholic priest and Eva is a woman with nowhere to turn. With the Gestapo closing in, Angelo hides Eva within the walls of a convent, where Eva discovers she is just one of many Jews being sheltered by the Catholic Church. But Eva can't quietly hide, waiting for deliverance, while Angelo risks everything to keep her safe. With the world at war and so many in need, Angelo and Eva face trial after trial, choice after agonizing choice, until fate and fortune finally collide, leaving them with the most difficult decision of all.

From the New York Times bestselling author comes a breathtaking fantasy of a cursed kingdom, warring clans, and unexpected salvation. Bayr of Saylok, bastard son of a powerful and jealous chieftain, is haunted by the curse once leveled by his dying mother. Bartered, abandoned, and rarely loved, she plagued the land with her words: From this day forward, there will be no daughters in Saylok. Raised among the Keepers at Temple Hill, Bayr is gifted with inhuman strength. But he's also blessed with an all-too-human heart that beats with one purpose: to protect Alba, the first girl child born in nearly two decades and the salvation for a country at risk. Now the fate of Saylok lies with Alba and Bayr, whose bond grows deeper with every whisper of coming chaos. Charged with battling the enemies of their people, both within and without, Bayr is fueled further by the love of a girl who has defied the scourge of Saylok. What Bayr and Alba don't know is that they each threaten the king, a greedy man who built his throne on lies, murder, and betrayal. There is only one way to defend their land from the corruption that has overtaken it. By breaking the curse, they could defeat the king...but they could also destroy themselves.

"Swallow, daughter, pull them in, those words that sit upon your lips. Lock them deep inside your soul, hide them 'til they've time to grow. Close your mouth upon the power, curse not, cure not, 'til the hour. You won't speak and you won't tell, you won't call on heaven or hell. You will learn and you will thrive. Silence, daughter. Stay alive.' The day my mother was killed, she told my father I wouldn't speak again, and she told him if I died, he would die too. Then she predicted the king would trade his soul and lose his son to the sky. My father has a claim to the throne, and he is waiting in the shadows for all of my mother's words to come to pass. He wants desperately to be king, and I just want to be free. But freedom will require escape, and I'm a prisoner of my mother's curse and my father's greed. I can't speak or make a sound, and I can't wield a sword or beguile a king. In a land purged of enchantment, love might be the only magic left, and who could ever love ... a bird?"--Back cover.

Reality and dream collide in Amy Bonnaffons's dazzling, darkly playful debut novel about a love affair between the living and the dead. For weeks, Rachel has been noticing the same golden-haired young man sitting at her Brooklyn bus stop, staring off with a melancholy air. When, one day, she finally musters the courage to introduce herself, the chemistry between them is undeniable: Thomas is wise, witty, handsome, mysterious, clearly a kindred spirit. There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he

completes a 90-day stint on earth, during which time he is forbidden to get involved with a member of the living -- lest he incur "regrets." When Thomas and Rachel break this rule, they unleash a cascade of bizarre, troubling consequences. Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.

Ambrose Young was beautiful. The kind of beautiful that graced the covers of romance novels, and Fern Taylor would know. She'd been reading them since she was thirteen. But maybe because he was so beautiful he was never someone Fern thought she could have...until he wasn't beautiful anymore. *Making Faces* is the story of a small town where five young men go off to war, and only one comes back. It is the story of loss. Collective loss, individual loss, loss of beauty, loss of life, loss of identity. It is the tale of one girl's love for a broken boy, and a wounded warrior's love for an unremarkable girl. This is a story of friendship that overcomes heartache, heroism that defies the common definitions, and a modern tale of Beauty and the Beast, where we discover that there is a little beauty and a little beast in all of us.
