What begins as a quest for submission

becomes an unrelenting need for love. May Aiona's crush on sexy Evan Chambers is a bad habit that should be easy to break. It's not like he's ever noticed her. Looking for a safe place to release the reins of control and explore her curiosity about BDSM, May takes a friend up on an invitation

File Type PDF A Little Harmless Obsession

to visit an exclusive bondage club-all she has to agree to is a public submission. Evan can't help but notice the exotically beautiful May. But despite his success, the dirty secrets of his past whisper that he'll never be good enough for her. When Evan sees her standing in his club ready to

File Type PDF A Little Harmless Obsession

submit to his best friend, he gives in to the thing he wants most-May as his sub. After their session, he knows one night will never be enough. But loving May isn't easy for a man always ready to take charge. She might like to submit in the bedroom, but she doesn't like anyone telling her what to do

outside of it. When May insists she's not in any danger from the person seemingly obsessed with her, she ends up in the sights of a deranged stalker-with Evan possibly too far away to help. **WARNING:** The following book contains: sexy Hawaiian settings, crazy relatives, and a submission

Aline Iversen has a problem. Her longtime crush, a college professor she's pined over for years has finally asked her out, but she's got no experience with men--no real experience, if you know what I mean. Fortunately for her, she meets Stuart

File Type PDF A Little Harmless Obsession

Watson. He's not her type, their companies are working on a joint venture and he might be an inappropriate choice, but he'll do for one night. After all, she only needs one night to learn some tricks to wow the man of her dreams and hopefully win his heart. Stuart delivers. Aline is

impressed, swept off her feet, but she can't let a little attraction stand in the way of her longtime wish to be with the man of her dreams--or can she? Stuart is in love. He knows someone like Aline only comes around once in a lifetime and he's not going to let her flakiness and schoolgirl fantasy stand

in the way of destiny. One way or another, he's keeping Aline for himself. If you like alpha men, sassy, smart women, steamy, dirty love scenes that end in a sweet, tidy Happily Ever After, you'll like Aline and Stuart's love story.
