And this is the philosophy of solitude that Powys sets out of construct. To Powys, solitude is the necessary social, psychological, and intellectual state of the individual. It is social in pulling away from the life and tumult of the crowd (Powys lived for decades in New York City, finally moving to a small town in upper-state New York before returning to Wales a few short years

Philosophy The terroir of La Solitude is a magical combination of natural and human elements. Here, the plants grow in an area in which every living thing has a role to play: the wildlife and natural vegetation, the vines, and the people. A great wine is created by the vines, without artifice, and tells the story of their setting.
