which they can thrive.

Approach To
**A Purposeful
Approach to Team
Work**

If you carefully
approach putting a
team together using
these six steps, you'll
have a great team
and a successful
project. Your
organization will learn
from their success,

Where To Download A

and you'll strengthen your other work teams across your organization. It is the outcome you seek as you put together successful teams.

Working in Teams : What Is the Purpose of a Team?

In Purposeful Teams we focus on what really matters: Why

Where To Download A

do you exist as a team, and what do you aim to achieve?
How do you agree to work together to build trust, resolve conflict, and work together more effectively?
Purposeful Teams makes an immediate impact on how effective and healthy you are as a team.
