The class of Accounting Technician includes such assignments as the maintenance of general ledger and budgetary control accounts, or the maintenance of a revolving fund account.

The Accounting Technician Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: knowledge of and experience in automated accounting systems; knowledge of federal and state general payroll requirements and applications; ability to organize and maintain various files and reports; knowledge of data input/output equipment operation; performance of clerical functions such as filing and typing; and more.

The Accounting Paraprofessional Test (APT) Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: bookkeeping and accounting problems; basic mathematics; journal entries and transactions; accounting terminology; and more.

The Accounting and Review Services Committee (ARSC) has issued Statement on Standards for Accounting and Review Services No. 21, Statements on Standards for Accounting and Review Services: Clarification and Recodification. The issuance of SSARS No. 21 represents a major milestone in the ARSC ' s project to clarify and revise the standards for reviews, compilations, and engagements to prepare financial statements. To assist readers to easily locate information, a detailed table of contents is provided at the beginning of the SSARS. This statement recodifies and supersedes all outstanding SSARSs through No. 20, except SSARS No. 14, Compilation of Pro Forma Financial Information. SSARS No. 21 is effective for reviews, compilations, and engagements to prepare financial statements for periods ending on or after December 15, 2015 but early implementation is permitted. This statement is a standalone SSARS and is not a codification of all clarified SSARSs. This statement has been codified in AICPA Professional Standards, which contains a complete codification of Statements on Standards for Accounting and Review Services. Practitioners are advised to use the codified version of this SSARS as they prepare to evaluate and update their methodologies, and prepare for changes precipitated by the clarity project.

The Professional Supervisor Test Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: English usage; quantitative reasoning; reasoning; reading comprehension; supervision; and more.
