~~Receivable Management
And Corporate~~

Even a very small business can decide to grant credit to its customers. Many small and medium-sized businesses (SMBs) grant credit to customers as a way of doing business. About one-sixth of all the assets of U.S. industrial firms are in the form of accounts

Download File

PDF Accounts

receivable, so granting credit is a major investment in the U.S. today.

Accounts receivable management can be tricky for most businesses because you have limited control over how quickly your customer pays you, and nowadays customers want longer payment terms. This can prove to be time consuming and costly because until your customer pays,

Download File PDF Accounts

your revenue is tied up in accounts receivable and sitting in their bank account, which is why everyone wants to get paid quickly.
