Composition and design; perspective; drawing from "real life" and color theory. Plot development and the building of dramatic narrative tension are of equal importance, since cartooning is one-half written story. You will learn how to break down the sequential action that shows the story you are telling.

BFA Cartooning - SVA

These days, action cartoons are few and far between, and most animated shows are 11-minute comedies. This isn't a bad thing, since shows like Adventure Time and Steven Universe have shown you can make amazing story-driven comedies in a short-format. However, we miss those Saturday-morning, action-packed shows that seem to have gone out of style.
