The Ordinary Millionaire is intended to show a perspective of a struggling immigrant who grew up in poverty yet became a millionaire within six years after being deep in debt with middle-class incomes for almost two decades. Just like ordinary Americans, I had made many poor emotional choices trying to keep up with the Joneses...trying to be normal. I then share with you how we implemented other guru's proven strategies to turn our life around from financial rock bottom. In the grand scheme of things, becoming a millionaire is only a side effect of our short-term objective—our true aspiration is to be financially independent and retire early like what is often heard in the FIRE movement.
