Revised edition of Advertising & IMC, [2015]

For courses in introductory advertising. Increase the relevancy and effectiveness of marketing communications Advertising & IMC: Principles and Practice presents the strategic use of communications to engage different types of consumers. Covering advertising, public relations, direct marketing, promotion, and more, Advertising & IMC uses examples of award-winning brand campaigns, contributions from experts, and enduring principles and practices to provide students with a practical guide to executing integrated marketing communications. And with a new author joining the team, the 11th Edition features a significant reorganization and revision of the material. Now, readers will understand not only the types of marketing communication possible, but also their application of strategy and planning, and how these areas work together -- ensuring students are prepared to deal with the latest industry practices in their future careers.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson’s MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson’s MyLab & Mastering products. Packages Access codes for Pearson’s MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- An accessible and well-written approach to advertising. Advertising tracks the changes in today’s dynamic world of media and marketing communication-as well as the implications of these changes to traditional practice-and presents them to readers through an accessible, well-written approach. The ninth edition highlights the increasing importance of consumers as the driving force in today’s advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. An accessible and well-written approach to advertising. Advertising tracks the changes in today’s dynamic world of media and marketing communication-as well as the implications of these changes to traditional practice-and presents them to readers through an accessible, well-written approach. The ninth edition highlights the increasing importance of consumers as the driving force in today’s advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus.

For introductory courses in advertising. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. An accessible, well-written, and student-friendly approach to advertising. Advertising tracks the changes in today’s dynamic world of media and marketing communication as well as the implications of these changes to traditional practice and presents them to students through an accessible, well-written approach. The ninth edition highlights the increasing importance of consumers as the driving force in today’s advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus.

For introductory courses in advertising. An accessible, well-written, and student-friendly approach to advertising. Advertising tracks the changes in today’s dynamic world of media and marketing communication-as well as the implications of these changes to traditional practice-and presents them to students through an accessible, well-written approach. The Tenth edition highlights the increasing importance of consumers as the driving force in today’s advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus. MyMarketingLab for Advertising is a total learning package. MyMarketingLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class progress. This program will provide a better teaching and learning experience—for you and your students. Here’s how: Improve Results with MyMarketingLab: MyMarketingLab delivers proven results in helping students succeed and provides engaging experiences that personalize learning. Increased Integrated Marketing Communication (IMC) Focus: The broader focus of IMC in this edition includes all the various forms of marketing communication-multi-platform, as well as multimedia- and the discussion is embedded seamlessly throughout the book. Keep your Course Current and Relevant: New examples, exercises, and research findings appear throughout the text. Note: You are purchasing a standalone product; MyMarketingLab does not come packaged with this content. If you would like to purchase both the physical text and MyMarketingLab search for ISBN-10: 0133763536/ISBN-13: 9780133763539. That package includes ISBN-10: 0133506886/ISBN-13: 9780133506884 and ISBN-10: 0133575950/ISBN-13: 9780133575958. MyMarketingLab is not a self-paced technology and should only be purchased when required by an instructor.

Marketing in the digital age poses major challenges for traditional and established practices of communication. To help readers meet these challenges Principles of Integrated Marketing Communications: An Evidence-based Approach provides a comprehensive foundation to the principles and practices of integrated marketing communications (IMC). It examines a variety of traditional and digital channels used by professionals to create wide-reaching and effective campaigns that are adapted for the aims of their organisations. This edition has been thoroughly revised and each chapter includes: case studies of significant and award-winning campaigns from both Australian and international brands that illustrate the application of explored concepts; discussion and case study questions that enable readers to critically evaluate concepts and campaigns; a managerial application section that illustrates how concepts can be applied effectively in a real situation; a ‘further thinking’ section that expands knowledge of advanced concepts and challenges readers to think more broadly about IMC.

For introductory courses in advertising Advertising tracks the changes in today’s dynamic world of media and marketing communication-as well as the implications of these changes to traditional practice-and presents them to students through an accessible, well-written approach. The Tenth edition highlights the increasing importance of consumers as the driving force in today’s advertising strategies, social media, and the Internet evolution/revolution. It also includes an increased IMC and brand focus.
