EGYPT AND INDIA (AFRICAN ORIGINS BOOK 3 PART 3)

African Origins of Eastern Civilization, Religion, Yoga Mysticism and Philosophy- This volume details the connection between Ancient Egypt and India and the development of Indian religion and shows documented evidences of the existence of the teachings that became known as Yoga, Hinduism and Buddhism existed previously in Ancient Africa. The questions of the history of Ancient Egypt, and the latest archeological evidences showing civilization and culture in Ancient Egypt and its spread to other countries, has intrigued many scholars as well as mystics over the years. Also, the possibility that Ancient Egyptian Priests and Priestesses migrated to Greece, India and other countries to carry on the traditions of the Ancient Egyptian Mysteries, has been speculated over the years as well. In chapter 1 of the book Egyptian Yoga The Philosophy of Enlightenment, 1995, I first introduced the deepest comparison between Ancient Egypt and India that had been brought forth up to that time. Now, in the year 2001 this new book, THE AFRICAN ORIGINS OF CIVILIZATION,

MYSTICAL RELIGION AND YOGA PHILOSOPHY, more fully explores the motifs, symbols and philosophical correlations between Ancient Egyptian and Indian mysticism and clearly shows not only that Ancient Egypt and India were connected culturally but also spiritually. How does this knowledge help the spiritual aspirant? This discovery has great importance for the Yogis and mystics who follow the philosophy of Ancient Egypt and the mysticism of India. It means that India has a longer history and heritage than was previously understood. It shows that the mysteries of Ancient Egypt were essentially a yoga tradition which did not die but rather developed into the modern day systems of Yoga technology of India. It further shows that African culture developed Yoga Mysticism earlier than any other civilization in history. All of this expands our understanding of the unity of culture and the deep legacy of Yoga, which stretches into the distant past, beyond the Indus Valley civilization, the earliest known high culture in India as well as the Vedic tradition of Aryan culture. Therefore, Yoga culture and mysticism is the oldest known tradition of spiritual development and Indian mysticism is an extension of the Ancient Egyptian mysticism. By understanding the legacy which Ancient Egypt gave to India the mysticism of India is better understood and by comprehending the heritage of Indian Yoga, which is rooted in Ancient Egypt the Mysticism of Ancient Egypt is also better understood. This expanded understanding allows us to prove the underlying kinship of humanity, through the common symbols, motifs and philosophies which are not disparate and confusing teachings but in reality expressions of the same study of truth through metaphysics and mystical realization of Self.

Isn't it time black women were celebrated? That's what this book is."DESCRIPTIONQueen Jackson, an intelligent and strong willed black woman from a rough and destructive background, fights to build a school housing the best and brightest sistas from around the country. This will be an institution of learning that not only gives them a formal education, but teaches them to do for self, take their community back by any means necessary, improve in relationships between men and woman, and compete at the highest levels possible. Along the way she still has to balance a high profile marriage, a mother still addicted to the hood, a God child who has trouble adjusting, closeted racists who attack her in media, close minded suburbanites, and a talk show host hell bent on her demise."Will the mother rise above her project mentality?" "Will the God child reared in the hood, adjust to the suburbs?" "Will the closet racists and close minded suburbanites win?" "Will the talk show host sway America in the opposite direction?" "Will the school ever get built in the first place?" "Is true freedom within our grasp?" These questions and more are answered in Black Queens Matter, a thought provoking look into one sistas quest for life, liberty, and the pursuit of happiness.

"In 1985, Ra Un Nefer Amen received, through divine revelation, the Metu Neter (Word of God) oracle ... In Maat, the 11 laws of God ... [he] shares the revelations he has received concerning the laws ... correlated with the Tree of Life - that influence and govern people's lives"--Back cover.
