"The strongest man in the world is the one who stands most alone." The plot of Ibsen's play is relevant more than 125 years after its 1882 publication. Natural springs found in a little Norwegian village are about to put the town on the map until a physician outs a powerful area business that is poisoning the water. Unfortunately, the media is complicit with local government in suppressing the study and when the scientist himself offers to lecture no one will rent him a forum. In short, when the scientist bucks local interests he becomes a pariah to the lightly-educated and easily-manipulated majority in the town, "an enemy of the people." Handier than the free PDFs on the web, this you can hold, bookmark, highlight and shelve. An inexpensive imperative for any history-, economics-, or political- buff.

A Penguin Classic When Dr. Stockmann discovers that the water in the small Norwegian town in which he is the resident physician has been contaminated, he does what any responsible citizen would do: reports it to the authorities. But Stockmann's good deed has the potential to ruin the town's reputation as a popular spa destination, and instead of being hailed as a hero, Stockmann is labeled an enemy of the people. Arthur Miller's adaptation of Henrik Ibsen's classic drama is a classic in itself, a penetrating exploration of what happens when the truth comes up against the will of the majority. This edition includes Arthur Miller's preface and an introduction by John Guare. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A New York Times bestseller. From CNN's veteran Chief White House Correspondent Jim Acosta, an explosive, first-hand account of the dangers he faces reporting on the current White House while fighting on the front lines in President Trump's war on truth, featuring new material exclusive to the paperback edition. In Mr. Trump's campaign against what he calls "Fake News," CNN Chief White House Correspondent, Jim Acosta, is public enemy number one. From the moment Mr. Trump announced his candidacy in 2015, he has attacked the media, calling journalists "the enemy of the people." Acosta presents a damning examination of bureaucratic dysfunction, deception, and the unprecedented threat the rhetoric Mr. Trump is directing has on our democracy. When the leader of the free world incites hate and violence, Acosta doesn't back down, and he urges his fellow citizens to do the same. At Mr. Trump's most hated network, CNN, Acosta offers a never-before-reported account of what it's like to be the President's most hated correspondent. Acosta goes head-to-head with the White House, even after Trump supporters have threatened his life with words as well as physical violence. From the hazy denials and accusations meant to discredit the Mueller investigation, to the president's scurrilous tweets, Jim Acosta is in the eye of the storm while reporting live to millions of people across the world. After spending hundreds of hours with the revolving door of White House personnel, Acosta paints portraits of the personalities of Sarah Huckabee Sanders, Stephen Miller, Steve Bannon, Sean Spicer, Hope Hicks, Jared Kushner and more. Acosta is tenacious and unyielding in his public battle to preserve the First Amendment and #RealNews.

Dr. Stockmann attempts to expose a water pollution scandal in his home town which is about to establish itself as a spa. When his brother, the mayor, conspires with local politicians and the newspaper to suppress the story, Stockmann appeals to the public meeting - only to be shouted down and reviled as 'an enemy of the people'. Ibsen's explosive play reveals his distrust of politicians and the blindly held prejudices of the 'solid majority'

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Shortly after assuming office in January 2017, President Donald Trump accused the press of being an “enemy of the American people.” Attacks on the media had been a hallmark of Trump’s presidential campaign, but this charge marked a dramatic turning point: language like this ventured into dangerous territory. Twentieth-century dictators—notably, Stalin, Hitler, and Mao—had all denounced their critics, especially the press, as “enemies of the people.” Their goal was to delegitimize the work of the press as “fake news” and create confusion in the public mind about what’s real and what isn’t; what can be trusted and what can’t be. That, it seems, is also Trump’s goal. In Enemy of the People, Marvin Kalb, an award-winning American journalist with more than six decades of experience both as a journalist and media observer, writes with passion about why we should fear for the future of American democracy because of the unrelenting attacks by the Trump administration on the press. As his new book shows, the press has been a bulwark in the defense of democracy. Kalb writes about Edward R. Murrow’s courageous reporting on Senator Joseph McCarthy’s “red scare” theatrics in the early 1950s, which led to McCarthy’s demise. He reminds us of Bob Woodward and Carl Bernstein’s reporting in the early 1970s that led to President Richard Nixon’s resignation. Today, because of revolutionary changes in journalism, no Murrow is ready at the battlements. Journalism has been severely weakened. Yet, without a virile, strong press, democracy is in peril. Kalb’s book is a frightening indictment of President Trump’s efforts to delegitimize the American press—and put the future of our democracy in question.
