## **AP Biology Past Exam Questions - AP Central | College Board**

The AP Biology exam used to consist of eight long-form free response questions, but in 2019 it was redesigned to consist of only six free response questions. Two of those questions are in the “short” form, and these consist of 50% of the free response score, or 25% of your total score. Long story short, those four questions may not be as long as the first two, but they still pack a big punch on your score.

## **Biology Short Essay Free Response Questions | Free ...**

For Section II, the AP Biology free-response section, you’ll have 80 minutes (after the reading period) to answer six questions. You will likely spend more time on each of the two long free-response questions than on each of the four short-response questions.
