Comedy and Tragedy - DePaul University

The classic conception of comedy, which began with Aristotle in ancient Greece of the 4th century bce and persists through the present, holds that it is primarily concerned with humans as social beings, rather than as private persons, and that its function is frankly corrective. The comic artist's purpose is to hold a mirror up to society to reflect its follies and vices, in the hope that they

shows that they represent satyric play as a third theatrical genre with significant connections to comedy. In the conclusion of the Symposium, Plato's Socrates remarks that the same dramatist can skillfully write both comedy and tragedy. Plato proves this by establishing the dialogue itself as a mixed ("high" and "low" / "tragic" and "comic") satyr play of sorts.
