ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access

code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- ¡Arriba! Comunicación y cultura is a highly flexible program—one that can be used effectively in a wide range of learning environments by students who learn in different ways and use technology to varying degrees. ¡ Arriba! has been consistently praised for its clarity and for providing materials that are both motivating and easy to use. We believe that you will find these qualities reflected in the sixth edition as well. From a new cultural focus in Perfiles that introduces the cultures of the Hispanic world through personal perspectives to new opportunities for cross-cultural learning throughout; learners can now interact with Spanish in a dynamic way. You can also gauge your progress with new section-ending ¿Cuánto saben? activities that help you put everything together in realistic, role-play situations. With the new Presencia hispana notes, you can see that Spanish is right outside their your door in your local community, making learning Spanish applicable and useful in your life. See for yourself how this new, personal approach combined with the hallmarks of clear grammar explanations and a wealth of meaningful practice activities brings Spanish to life! For courses in Elementary Spanish A flexible introduction to Spanish that focuses on culture as well as language ¡Arriba! Comunicación y cultura provides a rich, complete, and highly flexible communicative language program that enables instructors to teach the course how they like within a variety of academic settings. Authors Eduardo Zayas-Bazán, Susan Bacon, and Holly Nibert give educators the tools to "speak" in their own voice -- their own unique teaching style -- while delivering a successful and rewarding learning experience. The 7th Edition has been thoroughly updated to offer a new design, fresh chapter openers, and improved vocabulary and grammar coverage in order to better help students master the language and culture of the Spanish-speaking world. Available packaged with MyLab(tm) Spanish, packaged with Duolingo, or as a standalone text. MyLab is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Duolingo is the only language practice solution that encourages consistent, daily use from students. Built using principles of learning science and gamification, the Duolingo language learning app is mobile, easy, and fun -- and brings students back again and again. Note: You are purchasing a standalone product. Students, if interested in purchasing this title with MyLab or Duolingo, ask your instructor to confirm the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information.

Developed by experienced language program coordinators at The Ohio State University and The University of Illinois, Urbana-Champaign, Día a día offers a fresh approach to fourth-semester Spanish by engaging learners in purpose-driven activities about both their personal lives and professional ambitions. Learners envision how Spanish can become part of their own día a día today and tomorrow!

Social media penetrate our lives: Facebook, YouTube, Twitter and many other platforms define daily habits of communication and creative production. This book studies the rise of social media, providing both a historical and a critical analysis of the emergence of major platforms in the context of a rapidly changing ecosystem of connective media. Author José van Dijck offers an analytical prism that can be used to view techno-cultural as well as socio-economic aspects of this transformation as well as to examine shared ideological principles between major social media platforms. This fascinating study will appeal to all readers interested in social media.

In his classic study Learning Arabic in Renaissance Europe (1505-1624)', Robert Jones explores the practical and intellectual challenges faced by scholars of Arabic, especially of Arabic grammar, from Pedro de Alcalá to Guillaume Postel, Giovan Battista Raimondi and Thomas Erpenius.
