Hone your drawing skills and your eye for design by learning to draw in black and white. Working with only positive and negative lines and shapes keeps the focus on the basics: composition, balance, and harmony. And using white and black gel, ink, and paint pens on black, tan, and gray papers allows you to experience drawing in a whole new way! Drawing in Black & White is a clever drawing and design book that contains 36 inspiring exercises, a gallery of artwork, and 16 black, gray, and tan sheets for drawing, doodling, and experimenting. You'll find lessons on drawing, pattern drawing, drawing with cut paper, and simple collage. Learn to see your drawings a new way by drawing in black and white!

Masters of penmanship in the past advertised their copperplate skills by shaping their calligraphy and flourishes into elaborate pictorial designs. Now the art of the flourish is back. Calligraphic Drawing, written and illustrated by Schin Loong, is a hands-on guide to modern penmanship art, ranging from animals to people, to fantasy subjects and works that combine pictures with writing. The text and how-tos move from the simplest to the most challenging designs, with steps to take you through them and examples to inspire you..

"The Artist's Way for the twenty-first century." –Nancy Coleman, PhD, clinical psychologist, writer, facilitator, and teacher Settle your mind, connect with the moment, and unleash your creativity with this unique and mindful art journal. In our demanding, fast-paced culture, it's increasingly important to find ways to decompress and recuperate from the busyness and stress of life. More and more, mindfulness and creativity are being recognized as antidotes to the speed and overstimulation of modern society. This beautiful book combines the two, offering both creative and meditative practices to provide a guided journey into contemplative art for healing, relaxation, deeper connection, and greater well-being. Rather than focusing on any one medium or art form, this unique guide offers basic meditation instructions, and a variety of creative prompts and activities—from collage and coloring to meditative mark making and sketching to photography and perceptual exercises—making it perfect for anyone who wants to deepen and cultivate their mindfulness and creativity. With these artistic and introspective practices, you'll put meditation into action, and learn to view yourself and your own creative process without judgment or aggression. Using Be, Awake, Create, you'll see beyond habitual patterns, discover the richness of your world, and recognize the ordinary magic of your own creativity, with greater freshness of expression and spontaneity. By cultivating awareness and allowing yourself to play in the open space of artistic creation, you'll come to discover all of the positive impacts mindfulness and creativity can have on every area of your life.
