Asterix and the Roman Agent -  
Wikipedia

The Gaulish village is increasingly becoming a character in its own right in the Adventures of Asterix. The intrusion of a Roman ' secret agent ' who can stir up ill-feeling gives the authors the chance to develop the secondary characters and introduce new ones, such as the wife of Geriatrix (who, like the village, has still not been given a name) and that of Fulliautomatix.

Asterix and the Roman Agent (Ast é rix #15) by Ren é Goscinny  
There ' s a very strong case to made for Asterix and the Roman Agent being the best story of the best run in an excellent series. Since introducing Asterix, Ren é Goscinny and Albert Uderzo had considerably broadened and refined his supporting cast, yet that cast was generally only seen in the opening pages of each volume prior to Asterix and Obelix departing on a mission.
