An inspirational story of a man who overcame obstacles and challenges to achieve his dreams. In an accident in 1980, Limbie, a healthy young man, was reduced to a quadriplegic. Read through his fears, sorrow, hope and courage in this heart-open honest book.

"Victor Burgin examines a kaleidoscope of film fragments drawn from a variety of media as well as the Internet, memory and fantasy. Among these are sequences of such brevity they might almost be stills. Such 'sequence-images', as Burgin calls them, are neither strictly 'image' nor 'image-sequence' and have not been addressed hitherto either by film or photography theory. He considers these through some typical individual experiences – reflecting on such disparate occurrences as the association in memory of fragments from otherwise unrelated films, of the relation of a recollected film image to an architectural setting, or of feeling 'marked' by an image remembered from a film."--Jacquette

In the 1950s, New York City's Birdland was the center of the world of modern jazz--and a revelation to Bill Crow, a wet-behind-the-ears twenty-two-year-old from Washington State. Located on Broadway between 52nd and 53rd streets, the club named for the incomparable Charlie "Bird" Parker boasted lifesize photo murals of modern jazzmen like Dizzy Gillespie, Lennie Tristano, and, of course, Bird himself, looming large against jet black walls. Exotic live birds perched in cages behind the bar. The midget master of ceremonies, 3'9" Pee Wee Marquette, dressed in a zoot suit and loud tie, smoked huge cigars and

screeched mispronounced introductions into the microphone. And the jazz-struck young Crow would park in the bleachers till 4 am, blissfully enveloped by the heady music of Bird, Bud Powell, Max Roach, and a host of other jazz giants. From Birdland to Broadway is an enthralling insider's account of four decades of a life in jazz. Bill Crow, journeyman bass player, superb storyteller, and author of the successful Jazz Anecdotes, here narrates many moving and delightful tales of the pioneers of modern jazz he played with and was befriended by. We find Dizzy Gillespie, with whom Crow, because of prior commitments, regretfully declined steady work, dancing at the Royal Roost, Stan Getz sadly teetering on the brink of losing himself to drugs, and Harry Belafonte (known then as "the Cinderella Gentleman") running a lunch counter in New York's Sheridan Square between music dates. And we also witness many of the highlights of Crow's career, such as in 1955 when the Marian McPartland Trio (with Crow on bass) was named "Small Group of the Year" by Metronome; Crow playing with the Gerry Mulligan Quartet at venues like Storyville in Boston and Harlem's Apollo Theater (where they appeared with Dinah Washington); and the tour of the Soviet Union with Benny Goodman, a journey that might have been a high point of Crow's travels abroad but was marred by Goodman's legendary mistreatment of his band. Moving beyond jazz clubs to the Broadway concert pit and a variety of studio gigs in the '60s, Crow encounters actors such as Yul Brynner and pop-rock acts like Simon and Garfunkel. From the great to the near-great, from Billie Holiday to Judy Holliday, Bill Crow's wealth of personal anecdotes takes the reader from Birdland, to the Half Note, to the Playboy Club, to the footlights of Broadway. This revealing book is a marvelous portrait of the jazz world, told by someone who's been there.

1989 is the fifth album from the unstoppable pop force that is Taylor Swift. Released in October 2014, this is the first album that she has officially declared as full-on pop, and the catchy hooks, fun lyrics and danceable rhythms make this a fantastic songbook to learn from. Each piece is arranged for Piano and Voice, with Guitar chord boxes and full lyrics. You'll be able to learn every verse and chorus exactly how Taylor Swift sings them, as well as how to play the instrumental parts on the Piano and Guitar. Once you've learned each tune you'll be singing and playing them for years. Song List: - Welcome To New York - Blank Space - Style - Out Of The Woods - All You Had To Do Was Stay - Shake It Off - I Wish You Would - Bad Blood - Wildest Dreams - How You Get The Girl - This Love - I Know Places - Clean

A memoir from the Emmy-winning Saturday Night Live writer that is "funny, spiky, and twistedly entertaining" (Entertainment Weekly). 39 Years of Short-Term Memory Loss is a seriously funny and irreverent memoir that gives an insider's view of the birth and rise of Saturday Night Live, and features laugh-out-loud stories about some of its greatest personalities—Al Franken, Lorne Michaels, Dan Aykroyd, John Belushi, Bill Murray, Michael O'Donoghue, and Chris Farley. Tom Davis's voice is rich with irony and understatement as he tells tales of discovery, triumph, and loss with relentless humor. His memoir describes not only his experiences on the set of SNL but also his suburban childhood, his high school escapades in the sixties, his discovery of sex, and how he reveled in the hippie culture—and psychoactive drugs—from San Francisco to Kathmandu to Burning Man over the last four decades. Hysterical, lucid, and wise, 39 Years of Short-Term Memory Loss is an unforgettable romp in an era of sex, drugs, and comedy. "Though it features some lurid and hysterical SNL stories, Davis's memoir is less a backstage expose than a winning coming-of-age story featuring a funny Midwestern kid following his unlikely dream to the top." —Publishers Weekly, starred review

The DonorPerfect 10 User Guide explains how to use DonorPerfect to manage fundraising for your organization. It covers the following topics: data entry, producing communications and mail merges, processing gifts and pledges, event management, optional modules and customizing DonorPerfect.
