The Work of Edward Tufte and Graphics Press

Beautiful Evidence fulfills the expectations of yet another superbly crafted showcase of interesting visuals. Tufte continues to practice what he preaches about visual design. To name just one little layout detail: the reader never has to turn a page to finish reading a sentence (with one exception on p. 37).

"Beautiful Evidence" codifies a number of principles laid out in earlier Tufte publications, such as those of analytical design, as well as extends Tufte's unique perspective into topics such as Sparklines.

Amazon.com: Customer reviews: Beautiful Evidence
Beautiful Evidence, like Tufte's previous books in the series, illustrates masterpieces of technical communications and why they are masterpieces, it doesn't offer step by step instructions for recreating them. At his best, Tufte inspires your own genius, bridging art and science, he doesn't offer an algorithm for creating graphs.
