*****THE INSTANT NATIONAL BESTSELLER***** Picking up where the New York Times bestselling *Front Row* at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row* at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

In *The Death of the Grown-Up*, Diana West diagnosed the demise of Western civilization by looking at its chief symptom: our inability to become adults who render judgments of right and wrong. In *American Betrayal*, West digs deeper to discover the root of this malaise and uncovers a body of lies that Americans have been led to regard as the near-sacred history of World War II and its Cold War aftermath. Part real-life thriller, part national tragedy, *American Betrayal* lights up the massive, Moscow-directed penetration of America's most hallowed halls of power, revealing not just the familiar struggle between Communism and the Free World, but the hidden war between those wishing to conceal the truth and those trying to expose the increasingly official web of lies. *American Betrayal* is America's lost history, a chronicle that pits Franklin Delano Roosevelt, Harry Truman, Dwight David Eisenhower, and other American icons who shielded overlapping Communist conspiracies against the investigators, politicians, defectors, and others (including Senator Joseph McCarthy) who tried to tell the American people the truth. *American Betrayal* shatters the approved histories of an era that begins with FDR's first inauguration, when "happy days" are supposed to be here again, and ends when we "win" the Cold War. It is here, amid the rubble, where Diana West focuses on the World War II--Cold War deal with the devil in which America surrendered her principles in exchange for a series of Big Lies whose preservation soon became the basis of our leaders' own self-preservation. It was this moral surrender to deception and self-deception, West argues, that sent us down the long road to moral relativism, "political correctness," and other cultural ills that have left us unable to ask the hard questions: Does our silence on the crimes of Communism explain our silence on the totalitarianism of Islam? Is Uncle Sam once again betraying America? In *American Betrayal*, Diana West shakes the historical record to bring down a new understanding of our past, our present, and how we have become a nation unable to know truth from lies.

The Instant New York Times Bestseller "A book historians will relish." –Peggy Noonan, *Wall Street Journal* "Must read. I've read every book about the Trump presidency. This is the best." –Bill Press An account like no other, from the White House reporter who has known President Donald Trump for more than 25 years. We have never seen a president like this...norm-breaking, rule-busting, dangerously reckless to some and an overdue force for change to others. One thing is clear: We are witnessing the reshaping of the presidency. Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration. He's known and covered Donald Trump longer than any other White House reporter. With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue, Karl delivers essential new reporting and surprising insights. These are the behind-the-scenes moments that define Trump's presidency—an extraordinary look at the president, the person, and those closest to him. This is the real story of Trump's unlikely rise; of the struggles and battles of those who work in the administration and those who report on it; of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability. Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high-powered reelection campaign set to change the country's course. He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital. Above all, this book is only possible because of the surprisingly open relationship Donald Trump has had with Jonathan Karl, a reporter he has praised, fought, and branded an enemy of the people. This is *Front Row* at the Trump Show.

A *Christian Science Monitor* Best Book of the Year From the award-winning author of *Waiting and War Trash*: a riveting tale of espionage and conflicted loyalties that spans half a century in the entwined histories of two countries—China and the United States—and two families. When Lilian Shang, born and raised in America, discovers her father's diary after the death of her parents, she is shocked by the secrets it contains. She knew that her father, Gary, convicted decades ago of being a mole in the CIA, was the most important Chinese spy ever caught. But his diary, an astonishing chronicle of his journey as a Communist intelligence agent, reveals the pain and longing that his double life entailed—and point to a hidden second family that he'd left behind in China. As Lilian follows her father's trail back into the Chinese provinces, she begins to grasp the extent of his dilemma: he is a man torn between loyalty to his motherland and the love he came to feel for his adopted country. She sees how his sense of duty distorted his life, and as she starts to understand that Gary too had been betrayed, Lilian finds that it is up to her to prevent his tragedy from endangering yet another generation of Shangs. A stunning portrait of a multinational family and an unflinching inquiry into the meaning of citizenship, patriotism, and home,A *Map of Betrayal* is a spy novel that only Ha Jin could write. From the Hardcover edition.

This 20th-anniversary edition of the extraordinary New York Times bestseller features a new introduction from the author! "Stiffed is a brilliant, important book.. Faludi's reportorial and literary skills unfold with breathtaking confidence and beauty... She goes a long way toward eliminating the black and white, good and evil, male and female polarities that have riven the sexes in the past three decades..." –*Time* In 1991, internationally renowned feminist journalist Susan Faludi ignited a revival of the women's movement with her revelatory investigative reportage: Backlash was nothing less than a landmark, uncovering an "undeclared war" against women's equality in the media, advertising, Hollywood, the workplace, and government—a war that is still being fought today. Stiffed may be even more essential than Backlash to understanding the cultural riptides that led to Trumpian America. Here, Faludi turns her attention to the so-called "Angry Male" politics plaguing the nation. Through deeply researched, nuanced, and empathetic character studies of distressed industrial workers, laid-off aerospace engineers, combat veterans, football fans, evangelical husbands, suburban and inner-city teenage boys, and Hollywood and porn actors, Stiffed goes beyond the easy explanations of male misbehavior—that it's driven by chromosomes or hormones—to lay bare the powerful social and economic forces that have shattered the postwar compact defining American manhood. Faludi's vivid storytelling illuminates the historic and traumatic paradigm shift from a "utilitarian" manliness, grounded in civic and communal service, to an "ornamental" masculinity shaped by entertainment, marketing, and performance values. Read in the light of Trumpian politics and the #MeToo movement, Faludi's analysis speaks acutely to our present crisis, and to a foreboding future. Stiffed delivers a searing portrait of modern-day male America, and traces the provenance of a gender war that continues to rage, unabated.

The coauthor of *Being Intimate* discusses the impact of betrayal on personal relationships and explains how couples can overcome anger, jealousy, shame, and other negative emotions to reaffirm personal worth and promote healing. Original.

International Bestseller! “Dizzily wonderful . . . a perfectly constructed work of fiction, with audacious twists . . . Collins plays her own game here with perfect skill.” – The Times (UK) An intricate and utterly spellbinding literary epic brimming with enchantment, mystery, and dark secrets from the highly acclaimed author of the #1 international bestseller The Binding. If your life was based on a lie, would you risk it all to tell the truth? At Montverre, an ancient and elite academy hidden high in the mountains, society’s best and brightest are trained for excellence in the grand jeu—the great game—an arcane and mysterious competition that combines music, art, math, poetry, and philosophy. Léo Martin once excelled at Montverre but lost his passion for scholarly pursuits after a violent tragedy. He turned to politics instead and became a rising star in the ruling party, until a small act of conscience cost him his career. Now he has been exiled back to Montverre, his fate uncertain. But this rarified world of learning Léo once loved is not the same place he remembers. Once the exclusive bastion of men, Montverre’s most prestigious post is now held by a woman: Claire Dryden, also known as the Magister Ludi, the head of the great game. At first, Léo feels an odd attraction to the magister—a mysterious, eerily familiar connection—though he’s sure they’ve never met before. As the legendary Midsummer Game approaches—the climax of the academy’s year-long-buried secrets rise to the surface and centuries-old traditions are shockingly overturned. A highly imaginative and intricately crafted literary epic, The Betrayals confirms Bridget Collins as one of the most inventive and exquisite new voices in speculative fiction.

New York Lieutenant Eve Dallas is up against a hit-man for the elite, whose next target may be her own husband, Roarke.

Winner of the Pulitzer Prize for Public Service The story behind this groundbreaking book--one of the most significant works of investigative journalism since Woodward and Bernstein's reporting on Watergate--has been brought brilliantly to life on the screen in the major new movie Spotlight, winner of the Academy Award for Best Picture. Here are the devastating revelations that triggered a crisis within the Catholic Church. Here is the truth about the scores of abusive priests who preyed upon innocent children and the cabal of senior Church officials who covered up their crimes. Here is the trail of "hush money" that the Catholic Church secretly paid to buy victims' silence--deeds that left millions of the faithful in the U.S. and around the world shocked, angry, and confused. Here as well is a vivid account of the ongoing struggle, as Catholics confront their Church and call for sweeping change.
