In this compelling story of lies, greed and tarnished idealism, two Wall Street Journal reporters investigate a man who Bill Gates, Western governments, and other investors entrusted with billions of dollars to make profits and end poverty, but who now stands accused of masterminding one of the biggest, most brazen financial frauds ever. Arif Naqvi was charismatic, inspiring, and self-made—all the qualities of a successful business leader. The founder of Abraaj, a Dubai-based private-equity firm, Naqvi was the Key Man to the global elite searching for impact investments to make money and do good. He persuaded politicians he could help stabilize the Middle East after 9/11 by providing jobs and guided executives to opportunities in cities they struggled to find on the map. Bill Gates helped him start a \$1 billion fund to improve healthcare in poor countries and the UN and Interpol appointed him to boards. As Pope Francis blessed a move to harness capitalism for the good of the poor, Naqvi won the support of Obama ' s administration and investors, who compared him to Tom Cruise in Mission: Impossible. In 2018, Simon Clark and Will Louch were contacted by an anonymous whistleblower who said Naqvi had swindled investors out of hundreds of millions of dollars and offered bribes to sustain his billionaire lifestyle. Digging into the claims, Clark and Louch uncovered hundreds of documents and exposed the wrongdoing. In April 2019—months after their expos é broke—Naqvi was arrested on charges of fraud and racketeering, and faces up to 291 years in jail. Populated by a cast of larger-than-life characters and moving across Asia, Africa, Europe and America, The Key Man is the story of how the global elite was duped by a capitalist fairytale. Clark and Louch shine a light on efforts to clean up global capital flows even as opaque private equity firms amass trillions of dollars and offshore tax havens cast a veil of secrecy which prevents regulators, investors and citizens from understanding what ' s really going on in the finance industry.

From an immensely talented new voice in international fiction, this " fascinating, ambitious " (The New York Times Book Review) and epic novel seamlessly interweaves five love stories that, together, chronicle sixty years of Bangladeshi history—for fans of Khaled Hosseini ' s The Kite Runner and Rohinton Mistry ' s A Fine Balance. Shahryar, a recent PhD graduate and father of nine-year-old Anna, must leave the United States when his visa expires. In their last remaining weeks together, we learn Shahryar ' s history, in a village on the Bay of Bengal, where a poor fisherman and his wife are preparing to face a storm of historic proportions. That story intersects with those of a Japanese pilot, a British doctor stationed in Burma during World War II, and a privileged couple in Calcutta who leaves everything behind to move to East Pakistan following the Partition of India. Inspired by the 1970 Bhola cyclone, in which half a million-people perished overnight, the structure of this riveting novel mimics the storm itself. Building to a series of revelatory and moving climaxes, it shows the many ways in which families love, betray, honor, and sacrifice for one another. At once grounded in history and fantastically imaginative, The Storm " moves us deftly through time and across borders, beautifully illustrating the strange intersections we call fate, and reminding us how the past shapes the present " (Rumaan Alam, author of Rich and Pretty). Exploring the humanity that connects us beyond the surface differences of race, religion, and nationality, " this powerful and important debut is a story for our time " (Library Journal, starred review).

The eagerly-awaited sequel to Shadowmagic.

A Lord of the Rings for the 21st century. Only a lot shorter. And funnier. And completely different.

In this book The Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.
