A good place to start would be the Boundary Disputes Protocol, a non-binding pre-action protocol developed by a number of leading practitioners in the field. Unlike the CPR pre-action protocols, this protocol has no status in law; nevertheless, it provides a "best practice" guide to the early resolution of these disputes, and compliance with it is likely to be looked on favourably by any judge.

Boundary Disputes: A Quick-Fire Guide to Law and Practice ...

How to win a boundary dispute? The danger with a boundary dispute is that unless the area of land has very substantial value, the costs incurred can very quickly become disproportionate to the value of the land in dispute. So to "win" a boundary dispute you need to find an acceptable resolution to it before costs start to spiral. That may require compromise on both sides. How to resolve a boundary dispute? Arguments between neighbours are common when boundary disputes arise, and in our ...

Boundary Disputes: what you need to know | Hugh James

1 If it's a fence, then usually the back of the fence faces the owner. The 'back' is the side with the posts. 2 If it's a hedge and ditch, then these belong to the land on the hedge side – ie the far side of the ditch is the boundary. 3 If this doesn't help, 'acts of ownership' come into play. Q My neighbour owns the fence between us.

How to deal with boundary disputes – Which? Gardening Helpdesk

Boundary disputes can be uncomfortable and the quicker you can move to resolve them, the better. In England and Wales, there is usually no record kept on the precise boundaries between properties. There is also usually no registered record of who owns, and is responsible for, hedges, trees, walls, fences or driveways between properties.

How to deal with boundary disputes | Insight Law

A boundary dispute is a dispute between the owners or occupiers of neighbouring properties. This may take many forms but usually causes parties to question a boundary line or the construction of a new boundary between properties. Examples can include: the positioning of fences, rights of way, the positioning or overhanging of house extensions, the location of pipes and drains or the encroachment of foliage.

GUIDANCE NOTE ON BOUNDARY DISPUTES AUGUST 2018

How can I best avoid a boundary dispute in the first place? Boundary disputes occur when two people both believe they have the right to a piece of land. They often begin when one person puts up a fence or wall on land which another person thought belonged to them. The best way to avoid a boundary dispute happening in the first place is to try and firmly establish the boundaries of the land before you change anything.

Property boundary disputes - DAS Law

If a dispute continues, it is ultimately a Court that makes decisions, but they do not like such disputes being put before them. There are other organisations that can help you before things get to...

Drawing the line on boundaries - HM Land Registry

Talk to them face to face if you can - make a note of what you agreed. If you don't feel comfortable speaking to them, write to them or ask someone to contact them for you. Keep copies of any letters or emails you send or receive. It's often best to find a compromise, for example sharing the cost of a new fence panel.

If you disagree with your neighbour about a wall or fence ...

High hedges, trees and boundaries You must try to settle a dispute about a high hedge informally before the council can intervene. Ask your council for a complaint form if the hedge is all of...

About your property boundaries, working out your boundary lines, boundaries and neighbour disputes, agreeing who's responsible for walls and fences

Your property boundaries - GOV.UK

Common Boundary Disputes When the removal of trees or bushes is replaced with a fence is the number one cause of boundary disputes. Another common dispute is a new driveway and/or out builds such as sheds and garages.

Boundary Disputes: Has Your Neighbour Put Up A Fence?

To take a boundary dispute to court is to conduct a very expensive argument over something that the court will see as having little or no monetary value, and judges may be unsympathetic towards the parties in such cases; Courts are known to try to encourage the parties to resolve their disputes by methods other than litigation in court;

Resolving Boundary Disputes - Boundary Problems

Many boundary disputes arise from a homeowner trying to build right up to a boundary. Consult your neighbour before you apply for Planning Permission. Even if they cannot agree to your proposals do try to ensure that you both agree where the boundary is and ensure that your works stay on your own land.

RICS Find a Surveyor - How To: Boundary Disputes

The hope is that every boundary dispute that ends up in court will be required to mediate and the parties directly referred to this new panel. As both a property litigator and an RICS accredited mediator I can extol the merits of mediation especially in relation to boundary disputes. If you are looking for a mediator I am happy to assist.

Boundary Disputes – a new scheme | Wilsons Solicitors LLP

A boundary dispute usually occurs when two parties both believe they have rights over the same piece of land. One party may erect a fence or build a structure over the land that the other thought they owned, and inevitably a dispute arises.

Boundary disputes - how to avoid - Judge & Priestley

Territorial disputes are often related to the possession of natural resources such as rivers, fertile farmland, mineral or petroleum resources although the disputes can also be driven by culture, religion, and ethnic nationalism.Territorial disputes often result from vague and unclear language in a treaty that set up the original boundary.

Territorial dispute - Wikipedia

A protocol for disputes between neighbours about the location of their boundary - or the Boundary Disputes Protocol - has been written and issued by senior members of the legal and surveying professions. It is accompanied by guidance notes and is intended to apply to both residential and commercial properties.
