The Bride Wore Size 12 The Characters Heather Wells Cooper Cartwright and a whole host of family, friends, co-workers, police and students. The Story I had realized I'd missed Heather so much until I read this book. She's on my top 10 list of female characters. I'm going to miss her so. Things are crazy as usual in Death Dorm Fischer Hall.

~~The Bride Wore Size 12 (Heather Wells, #5) by Meg Cabot~~

Of course I had to get The Bride Wore Size 12 to see what Heather was up to now. It was a great read. I love Meg's style. She writes just like she talks (go to a signing, she really does!) and it is great. Nothing deep but reading for escape, Meg Cabot and the Heather Wells series are just the ticket!

I am completely obsessed with all things New York and so was thrilled to receive The Bride Wore Size 12 by New York Times bestselling author Meg Cabot to review. It is the latest installment in the acclaimed Heather Wells series and, although I hadn't read any of the previous books, I was aware of Meg Cabot as the author of The Princess Diaries series and was excited to see what was in store...

What disappointed you about The Bride Wore Size 12? The story was good, but Sandy Rustin is not a pleasant narrator her voice is so squeaky and very annoying. What could Meg Cabot have done to make this a more enjoyable book for you? nothing Who would you have cast as narrator instead of Sandy Rustin? Kristin Cabot.

The un-petite assistant New York City college dorm director and sometime sleuth is back in *Size 12 and Ready to Rock*—a delectable comedy mystery that proves once more that the much beloved author of *The Princess Diaries* rules in the realm of grown-up women's fiction as well. Heather's got her hands full when a pop star and her reality TV camera crew invade the dorm—bringing with them a summer camp-full of adoring teen admirers—only to have an inconvenient homicide spoil the fun.

Heather Wells is used to having her cake and eating it too, but this time her cake just might be cooked. Her wedding cake, that is. With her upcoming nuptials to PI Cooper Cartwright only weeks away, Heather's already stressed. And when a pretty junior turns up dead, Heather's sure things can't get worse—until every student in the dorm where she works is a possible suspect, and Heather's long-lost mother shows up. Heather has no time for a tearful mother and bride reunion. She has a wedding to pull off and a murder to solve. Instead of wedding bells, she might be hearing wedding bullets, but she's determined to bring the bad guys to justice if it's the last thing she does . . . and this time, it just might be.

While dealing with her missing wedding planner and the arrival of her long-lost mother who absconded with all of her money years earlier, college dorm director Heather Wells must solve the murder of a pretty freshman who has turned up dead after an all-night back-to-school rager. (mystery & detective).

Now includes a bonus excerpt from Meg Cabot's new Heather Wells novel, *Size 12 and Ready to Rock*, available wherever books are sold July 10. Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two—and lost a

Online Library Bride Wore Size 12 Cabot Meg

boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen—not the police, her colleagues, or the P.I. who owns the brownstone where she lives—even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

Former pop star Heather Wells has settled nicely into her new life as assistant dorm director at New York College—a career that does not require her to drape her size 12 body in embarrassingly skimpy outfits. She can even cope (sort of) with her rocker ex-boyfriend's upcoming nuptials, which the press has dubbed *The Celebrity Wedding of the Decade*. But she's definitely having a hard time dealing with the situation in the dormitory kitchen—where a cheerleader has lost her head on the first day of the semester. (Actually, her head is accounted for—it's her torso that's AWOL.) Surrounded by hysterical students—with her ex-con father on her doorstep and her ex-love bombarding her with unwanted phone calls—Heather welcomes the opportunity to play detective . . . again. If it gets her mind off her personal problems—and teams her up again with the gorgeous P.I. who owns the brownstone where she lives—it's all good. But the murder trail is leading the average-sized amateur investigator into a shadowy world. And if she doesn't watch her step, Heather will soon be singing her swan song!

After dallying with sexy vampires and ingeniously reinterpreting the Dracula legend (*Insatiable, Overbite*), #1 New York Times bestseller Meg Cabot is ready to rock 'n' roll once more with Heather Wells. The un-petite assistant New York City college dorm director and sometime sleuth is back in Size 12 and Ready to Rock—a delectable comedy mystery that proves once more that the much beloved author of *The Princess Diaries* rules in the realm of grown-up women's fiction as well. Heather's got her hands full when a pop star and her reality TV camera crew invade the dorm—bringing with them a summer camp-full of adoring teen admirers—only to have an inconvenient homicide spoil the fun. There's romance, treachery, merry mayhem and music—just the ticket for readers who like to rock out on the hip contemporary singleton fiction of Sophie Kinsella, Jennifer Weiner, and Jane Green.

Life is reasonably rosy for plus-size ex-pop star turned Assistant Dormitory Director and sometime sleuth Heather Wells. Her freeloading ex-con dad is finally moving out. She still yearns for her hot landlord, Cooper Cartwright, but her relationship with "rebound beau," vigorous vegan math professor Tad Tocco, is more than satisfactory. Best of all, nobody has died lately in "Death Dorm," the aptly nicknamed student residence that Heather assistant-directs. Of course every silver lining ultimately has some black cloud attached. And when the latest murdered corpse to clutter up her jurisdiction turns out to be her exceedingly unlovable boss, Heather finds herself on the shortlist of prime suspects—along with the rabble-rousing boyfriend of her high-strung student assistant and an indecently handsome young campus minister who's been accused of taking liberties with certain girls' choir members. With fame beckoning her back into show business (as the star of a new kids' show!) it's a really bad time to get wrapped up in another homicide. Plus Tad's been working himself up to ask her a Big

Question, which Heather's not sure she has an answer for . . .

Big mouth. Big heart. Big wedding. Big problems. It's the wedding of the century! Things are looking up at last for Lizzie Nichols. She has a career she loves in the field of her choice (wedding gown restoration), and the love of her life, Jean-Luc, has finally proposed. Life's become a dizzying whirl of wedding gown fittings—not necessarily her own—as Lizzie prepares for her dream wedding at her fiancé's château in the south of France. But the dream soon becomes a nightmare as the best man—whom Lizzie might once have accidentally slept with . . . no, really, just slept—announces his total lack of support for the couple, a sentiment the maid of honor happens to second; Lizzie's Midwestern family can't understand why she doesn't want to have her wedding in the family backyard; her future, oh-so-proper French in-laws seem to be slowly trying to lure the groom away from medical school and back into investment banking; and Lizzie finds herself wondering if her Prince Charming really is as charming as she once believed. Is Lizzie really ready to embrace her new role as wife and mistress of Château Mirac? Or is she destined to fall into another man's arms . . . and into the trap of becoming a Bad Girl instead?

Cartoonist Jane Harris is delighted by the prospect of her first-ever trip to Europe. But it's hate at first sight for Jane and Cal Langdon, and neither is too happy at the prospect of sharing a villa with one another for a week—not even in the beautiful and picturesque Marches countryside. But when Holly and Mark's wedding plans hit a major snag that only Jane and Cal can repair, the two find themselves having to put aside their mutual dislike for one another in order to get their best friends on the road to wedded bliss—and end up on a road themselves . . . one neither of them ever expected.

In Bulawayo, Zimbabwe, there is a tragedy in the house next door to Lindiwe Bishop -- her neighbor has been burned alive. The victim's stepson, Ian McKenzie, is the prime suspect but is soon released. Lindiwe can't hide her fascination with this young, boisterous and mysterious white man, and they soon forge an unlikely closeness even as the country starts to deteriorate. Years after circumstances split them apart, Ian returns to a much-changed Zimbabwe to see Lindiwe, now a sophisticated, impassioned young woman, and discovers a devastating secret that will alter both of their futures, and draw them closer together even as the world seems bent on keeping them apart. *The Boy Next Door* is a moving and powerful debut about two people finding themselves and each other in a time of national upheaval.

New York Times-bestselling author Meg Cabot returns with a charming romance between a children's librarian and the town sheriff in the second book in the Little Bridge Island series. Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys, home to sandy white beaches, salt-rimmed margaritas, and stunning sunsets—a place where nothing goes under the radar and love has a way of sneaking up when least expected... A broken engagement only gave Molly Montgomery additional incentive to follow her dream job from the Colorado Rockies to the Florida Keys. Now, as Little Bridge Island Public Library's head of children's services, Molly hopes the messiest thing in her life will be her sticky-note covered desk. But fate—in the form of a newborn left in the restroom—has other ideas. So does the sheriff who comes to investigate the “abandonment”. When John Hartwell folds all six-feet-three of himself into a tiny chair and insists that whoever left the baby is a criminal, Molly begs to differ and asks what he's doing about the Island's real crime wave (if thefts of items from homes that have been left unlocked could be called that). Not the best of starts, but the man's arrogance is almost as distracting as his blue eyes. Almost... John would be pretty irritated if one of his deputies had a desk as disorderly as Molly's. Good thing she doesn't work for him,

Online Library Bride Wore Size 12 Cabot Meg

considering how attracted he is to her. Molly's lilting librarian voice makes even the saltiest remarks go down sweeter, which is bad as long as she's a witness but might be good once the case is solved—provided he hasn't gotten on her last nerve by then. Recently divorced, John has been having trouble adjusting to single life as well as single parenthood. But something in Molly's beautiful smile gives John hope that his old life on Little Bridge might suddenly hold new promise—if only they can get over their differences. Clever, hilarious, and fun, *No Offense* will tug at readers' heartstrings and make them fall in love with Little Bridge Island and its unique characters once again.
