editing for brevity and style, presentations and visual aids, special speaking situations, and listening skills. For anyone who needs to communicate in today's business or professional environment.

BUSINESS AND SOCIETY employs a

Online Library Business

stakeholder
management
framework. This
framework
emphasizes a
business's social,
legal, political,
and ethical
responsibilities to both
external and internal
groups that have a
stake, or interest, in
that business. It is a
fundamental goal of

Online Library

Business

the course that students really get that responsible business decision makers strive to balance and protect the interests of various stakeholders- investors, employees, community, environment, etc. An emphasis is also placed on the fact that one needs to

Online Library

Business

Understand that business situations will continually arise that will truly test ones values and ethics.

BUSINESS AND SOCIETY not only exposes students to diverse and important stakeholder and ethical frameworks for considering and protecting stakeholder interests, through its

Online Library Business

use of cases and other real-world applications, this text enhances the precision with which students think about and practice ethical decision making. Opportunities to apply stakeholder and ethical systems to specific business problems abound, and questions are

Online Library Business

provided with all
cases and applications
to focus student
reasoning, ensuring
excellent preparation
for class discussions.
