Depending on whom you ask, the term Christian counseling can mean anything from secular psychology practiced by a Christian to biblical counseling that completely shuns psychological insights. Christ-Centered Therapy thoroughly integrates psychology and practical theology. A book written by experts from both fields, it utilizes the contributions of science in an uncompromisingly biblical framework. Here at last is a powerful resource to help you—pastor, counselor, or spiritual advisor—understand the complex problems of people and address them with the wisdom of God ' s Word and the power of his Spirit. Insightful and practical, Christ-Centered Therapy unites the wisdom and expertise of pastoral theologian and best-selling author Dr. Neil Anderson and professional Christian counselors Dr. Terry and Julianne Zuehlke. The first part of the book equips you with an understanding of the different issues involved in integrating theology and psychology. The second part helps you turn theory into practical application. You ' ll also find appendixes that offer personal testimonies, provide professional forms, discuss the role of psychiatry in managed care, and present the Steps to Freedom in Christ.

In *Christ and the Decree*, one of the foremost scholars of Calvinism today expounds the doctrines of Christ and predestination as they were developed by Calvin, Bullinger, Musculus, Vermigli, Beza, Ursinus, Zanchi, Polanus, and Perkins. Muller analyzes the relationship of these two doctrines to each other and to the soteriological structure of the system. Back by demand, this seminal work on the relationship between Calvin and the Calvinists is once again available with a new contextualizing preface by the author. It offers a succinct introduction to the early development of Calvinism/Reformation thought.

nothing turns out as Christy had planned. As the surprises keep coming, can Christy respond with grace...and maybe even spring a surprise of her own? Island Dreamer Christy Miller is spending her sixteenth birthday on Maui with her family, Todd, and Paula, her best friend from Wisconsin! What could be better? But Christy soon finds that she and Paula don't have as much in common anymore. Paula's obsessed with having a boyfriend...even if it means stealing Todd from Christy! Will he choose Paula over her? Or will the islands send Christy dreaming in new directions? A Heart Full of Hope Christy Miller is sixteen, and that means she can finally date! Rick has waited months for this, and he has a whole list of dates planned. He's not happy about her early curfews and weekend job, but Christy knows her parents aren't about to negotiate on those points. Really, she's dazzled to be pursued by such a thoughtful guy. So why does she feel overwhelmed? Where does Todd fit into her life now? And can any guy really fulfill all her hopes? Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!" —Robin Jones Gunn
