That beautiful girl from the picture on my prison wall.Now she's finally here, sharing a cell.So close. So hard to resist.But one thing's for sure...Even if she doesn't know it yet, she's already mine.For a limited time, this book contains both CAGED and UNCAGED, originally meant as a duet.WARNING: This novel contains disturbing content that may be offensive to some readers. NO Cliffhanger.

FBI profiler Sayer Altair hunts a brilliant serial killer with a dangerous obsession in Caged, a gripping thriller from debut author Ellison Cooper. In a residential Washington, D.C. neighborhood, a young woman's body is found in the basement of an abandoned house--starved to death in a cage, along with the video footage of a dark and deadly ritual. The victim is identified as the daughter of a prominent D.C. politician, and it falls to the FBI to track down the unconscionable psychopath who murdered her. FBI special agent Sayer Altair would rather conduct research on criminality than catch actual criminals. But when she's offered a promotion hinging on her next assignment, she reluctantly accepts the "Cage Killer" case. Taunted by a photo of another victim at the mercy of this vicious killer, Sayer and her team are driven to put an end to these grisly homicides. During the investigation, clues emerge connecting the murders to Sayer's past. Now, the stakes are personal, and the deeper Sayer is drawn into the deadly web, the more she believes she is the only one who can uncover the killer's identity. Told with devastating detail, shocking twists and unrelenting suspense, Cooper proves her exceptional ability to entertain and enthrall.

Steve, the new director of the San Francisco Zoo, and a beautiful young woman try to track down the psychopath who is brutally killing the zoo's animals, delivering a riddle as a warning each time before he strikes

Shy. God, she was so painfully, awkwardly shy. Blurting out the wrong thing at the wrong time? Check. Puking in front of the class when she'd needed to give a speech? Double check. Critically, embarrassingly unable to summon any semblance of a rational thought when in the presence of an attractive man? Triple check. And she was surrounded by gorgeous, sexy men on a daily basis. As video coach for the San Francisco Gold hockey franchise, Dani spent her days wrapped in a technological bubble. She studied tape, prepared clips for the players, and generally avoided other people. Until Ethan. She'd thought he was going to ask her to fix his computer. Instead, he'd asked her out. On a date. A date! That didn't compute. It couldn't be right. No one asked her out-- Ethan had. And suddenly, Dani thought it might be possible to leave her shy, awkward days behind her.

Long-awaited selected poems from a poet who shapes what threatens to misshape him.

"Like an arrow in the hand of a warrior, so are the sons of those who have been shaken. Hurl lightning bolts and scatter them. Shoot your arrows and rout them." - King David, circa 1000 BC Wyatt Stryker, an ex-special ops, has suddenly found his more recent roles as a father, husband and doctor thrown into a world of chaos. A deadly drug cartel has targeted him and his family and forced Stryker to revisit a chapter of his life he thought forever closed. Fortunately for his family, this transition was easier than he imagined - leading a simple life was never really in the cards for Stryker. In his heart, he always has been a warrior, but he now must battle for more than just king and country. Confused by his connection to the cartel, Stryker sets off with little on his side but instincts and experience. As he attempts to connect the dots, Stryker infiltrates the deepest, darkest places of the organization's stronghold and comes face to face with certain death. In his every attempt to uncover the truth, Stryker's plans are crushed by the cold-blooded cohort. His resolve to save his loved ones, however, becomes more firm with every failure. Will his wits and training alone be enough to discover his connection to the cartel in time to save his family?

With the continued expansion of the literary canon, multicultural works of modern literary fiction and autobiography have assumed an increasing importance for students and scholars of American literature. This exciting new series assembles key documents and criticism concerning these works that have so recently become central components of the American literature curriculum. Each casebook will reprint documents relating to the work's historical context and reception, present the best in critical essays, and when possible, feature an interview of the author. The series will provide, for the first time, an accessible forum in which readers can come to a fuller understanding of these contemporary masterpieces and the unique aspects of American ethnic, racial, or cultural experience that they so ably portray. Perhaps more than any other single text, Maya Angelou's I Know Why the Caged Bird Sings helped to establish the "mainstream" status of the renaissance in black women's writing. This casebook presents a variety of critical approaches to this classic autobiography, along with an exclusive interview with Angelou conducted specially for this volume and a unique drawing of her childhood surroundings in Stamps, Arkansas, drawn by the Angelou herself.

REA's MAXnotes for Maya Angelou's I Know Why the Caged Bird Sings MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age--and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."--James Baldwin From the Paperback edition.

Presents a collection of essays analyzing Angelou's story, I know why the caged bird sings. Also includes a chronology of events in the author's life.
