Can't Help Falling In Love

The more you resist, the deeper you'll fall
Serafine St. Romain doesn't need her psychic powers to know she's no longer in Tyler Leshuski's good graces. True, she did tear him to pieces when he asked her out, accusing him of being shallow and selfish. Despite the energy crackling between them, the gorgeous sports writer is a no-strings, no-kids kind of guy. And Serafine, raised in the foster system, intends to be a foster parent herself. She won't compromise that dream, even for a man as annoyingly appealing as Tyler. In a simpler world, Tyler would already have gotten Serafine out of his system. For him, women equal fun. Not this kind of bone-deep, disconcerting desire. Life gets even more complicated when he becomes the guardian of his much younger sister. Suddenly, he's way out of his depth. Serafine's the only person who can connect with Kylie. He can't jeopardize that for a fling. But maybe...just maybe...he's finally ready to risk everything on forever.

Some people change your life
Others change your heart
Newly widowed dad Sebastian Dorer was unraveling at the edges—until his son’s teacher, Via DeRosa, threw him a lifeline. Now, two years later, they reconnect at Matty’s new school, and an inconvenient but unmistakable jolt of attraction crackles between them. But why does the first person to spark with Sebastian in years have to be a millennial? Is twentysomething Via really too young for him or does fortysomething Sebastian just feel too damn old? A former foster kid, Via’s finally forged the stable life she’s always dreamed of—new job, steady income, no drama. The last thing she needs are rumors about her and a single dad at school. But why does she keep being drawn into his capable, worn-flannel orbit? And why does being around Sebastian, Matty and even their dog, Crabby, seem to spark so much want? They're trying to ignore the tension threatening their friendship. But sometimes what'll heal you is just a touch—and a heartbeat—away...

A funny, heartfelt romance about how an antique shop, a wardrobe, and a mysterious tea cup bring two C.S. Lewis fans together in a snowy and picturesque Oxford, England.
Emelia Mason has spent her career finding the dirt on the rich and famous. But deep down past this fearless tabloid-reporter façade, there’s a nerdy Narnia-obsessed girl who still can’t resist climbing into wardrobes to check for the magical land on the other side. When a story she writes produces tragic results, she flees to Oxford, England—home to C.S. Lewis—to try and make amends for the damage she has caused. Peter Carlisle was on his way to become one of Great Britain’s best rowers—until he injured his shoulder and lost his chance at glory. He’s determined to fight his way back to the top even if it means risking permanent disability to do so. It’s the only way he can find his way past failing the one person who never stopped believing in his Olympic dream. When Peter and Emelia cross paths on her first night in Oxford, the attraction is instant and they find common ground in their shared love of Narnia. But can the lessons from a fantasyland be enough to hold them together when secrets of the real world threaten to tear them apart? Cobblestone streets, an aristocratic estate, and an antique shop with curious a wardrobe bring the world of Narnia to life in Kara Isaac’s inspiring and romantic story about second chances.

What happens in Vegas doesn’t always stay in Vegas... The moment Beckett O'Neill retires from professional sports, he swears off schedules and commitments. His new gig has him hopping from one exotic location to the next. No strings, no responsibilities. Nothing that will tie him down. Until he runs into her, the woman who stole his heart for a night in Vegas...and finds out he has a five-year-old daughter. One who believes wholeheartedly she's a fairy. What's he supposed to do with that? It's not like he even knows what being a good father looks like. When life gives you lemons...make chocolate. As a single mom, Coco Cavanaugh manages to find a happy balance raising her little girl, while running her chocolate shop. It's a good, safe life. One she's proud of. When fate brings them together again, Coco remembers exactly why she fell into bed with the irresistible Beckett. But she's not that free-spirited girl anymore. And his jet-setting lifestyle doesn't fit with raising a child. But there's no force more powerful in the world than love—and Beckett can't help but fall for the Cavanaugh girls. They're everything he never wanted. He's everything she didn't think they needed.

Hunter Jones will do whatever it takes to make the best life possible for his son. Unfortunately, part of that requires relying on his now ex-wife—a woman who admits motherhood isn't for her—to pull her weight for the sake of their boy. Yet when one of her erratic moments results in a missed daycare pick up, Hunter's the one who gets accused of being a bad parent. He has nothing to prove to the opinionated stranger with the sassy smirk who openly berated him. Still, he finds himself irresistibly compelled to prove himself to her... After growing up in the foster system, Violet Drake has zero patience for poor parenting. However, she's the first to admit she was too harsh on Hunter when he arrived late to pick up his son... and that's only partially because he's insanely hot. It should have been an easy no when he asked her out. She's constantly traveling for work, plus getting mixed up with a single dad is a monumentally bad idea. But the idea of spending time with him is too tempting to resist. Their timing is wrong. They want completely different things. So why do they feel drawn to each other with each glance? Searching for a lighthearted beach read centered on small town romance? Look no further than Can't Help Falling in Love, the latest masterpiece by Samantha Chase.

Can't Help Falling In Love

Love strikes when you least expect it. Is it true? In the case of Radhika, maybe it did. She's all ready for a fresh start in a new city. She starts living with her cousin, Meera and a series of unexpected events starts to unfold which turns her life upside-down. She meets someone new, Rishi. He's very different from what she likes, yet intriguing. When everything is going smooth, a lover from the past, Sameer, suddenly re-appears. Now, she's torn between the past and the present. Adding to this craziness, appear two funny characters Zain and Nancy. They are cousins and work in the same office with Radhika. Also, in the picture is Radhika's aunt, a single lady in her fifties; who's way too much interested in Radhika's love life. While Nancy wants Radhika to date Sameer, her aunt wants her to pair up with Rishi. All entangled, no way out. Now, with both the males trying hard to get her, her life becomes more troubled.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
