Without good records, you might not have oil changes, tire rotations, and other regular maintenance items performed on schedule, and that could lead to costly repairs or even put your safety in danger. If you or anyone else do anything to your car, it needs to go in the log. Even waxing your car deserves an entry.

A vehicle maintenance log,
also known as an auto

Bookmark File PDF Car Maintenance Record Book

maintenance log book, is a handy little thing to put in the glove compartment of your car, to keep with you at all times. It can be your "brain" for your car, to keep track of the maintenance that has been done previously, which helps you know what maintenance needs to be done in the future.
