The title song All The Way is a loving tribute to one of Céline's favourite; the legendary Frank Sinatra. The album's first single, That's The Way It Is, produced by Max Martin and Kristian Lundin (Backstreet Boys and Britney Spears) is a mid-tempo song perfectly in tune with the music of the time. Céline revisits the classic ballad The First Time Ever I Saw Your Face, a song written by Ewen MacColl that propelled Roberta Flack to number 1 on the charts in 1972.
