Chapter 19 Section 2 Guided Reading Questions. 1)  
How did the United States raise an Army? When the  
U.S. joined the war, there were only 200,000 men  
enlisted in the armed forces, and so in order to build a  
large enough army to take on Europe, Congress passed  
the Selective Service Act, which required men to  
register with the government in order to be randomly  
selected for military service, in 1917.

alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
