S: Start with a Plan. To create impact—in any size children's ministry—you must begin with a plan. Plan how you'll effectively reach kids in your children's ministry. Recruit for the classes you'll offer—even if those classes are occasionally empty—based on your average weekly attendance (track attendance for three months to get a close average).

Keep classroom numbers small—especially for toddlers and preschoolers. When we reopen children's ministry, toddlers will be the hardest age group to socially isolate. Infants can be held by workers apart from one another at a safe social distance. Older preschool and elementary children can be taught to social-isolate.

This is especially true if your congregation has never had a kids church. If you are in a small church, talk to all the affected parents one-on-one. Be aware of any concerns that parents raise and ensure then the program is optional for each family. You can read my post about communication in kids ministry. 9.
