Choosing the Right College: The Whole Truth about America's Top Schools. Produced by the Intercollegiate Studies Institute (ISI), Choosing the Right College is the most informative, incisive, and independent assessment available of America's 100 best colleges and universities.

Choosing the Right College: The Whole Truth about America

Choosing the Right College: The Whole Truth about America's Top Schools. Hailed by numerous critics since it first appeared six years ago, Choosing the Right College provides candid and independent assessments of the curricula, political atmosphere, and campus life at 125 of the nation's top private and public colleges and universities.

Choosing the Right College: The Whole Truth about America

This college guide is based on what have become on many college campuses today radical premises: 1) There are some important things to learn, and not all college freshmen already know these things (or what they are) before they even get to college; 2) before you criticize, condemn or just ignore all "Western" culture, perhaps you should actually know something about it; 3) colleges should encourage critical thinking and balanced study over simple absorption of commonly accepted points of ...

Choosing the Right College: The Whole Truth About America

Choosing a college is part science: making sure they have the academic major or extracurricular activities of your choice in the location you like and with the opportunities you seek. But, choosing the "right" school for you is also very much an art.

How to Choose a College: A Complete Guide—College Raptor

Choosing a college near your hometown generally means you'll get lower tuition rates. According to the College Board, in-state residents attending a four-year public institution pay an average of \$9,410 in tuition and fees, whereas out-of-state students pay \$23,890. Private colleges do not consider residency status, charging all learners an average of \$32,410 per year.

How to Choose the Right College | BestColleges

How to Choose a College That's Right For You Step 1: Determine what you might like to study or major in at college. Yes, many students enter college as "undecided," and that's fine, but if you have some idea of a career or a major, that information can help in finding colleges that offer (and even specialize) in that field.

Choosing a College that's Right for You | LiveCareer

The Right Choice for the Right Reason — Students may be inclined to select a college based on prestige, what they think others expect them to do, or other factors that may not ultimately serve their best interest. Read this article, and take an honest look at your decision-making process.

Choosing The Right College: A Guide | SmartScholar

Unlike other college guides, which too often read like paraphrases of university public-relations brochures, Choosing the Right College is an independently researched and written volume that covers the things that matter most, such as core curricula, campus crime, student living arrangements, the quality of teaching and student advising, and freshman orientation. The ISI guide also provides specific advice on which professors to seek out—and which courses and departments to avoid.

Choosing the Right College: The Whole Truth about America

Since 1998 the Intercollegiate Studies Institute (ISI) has published a guide, Choosing the Right College, that evaluates colleges based on cost, curriculum, and political climate. Founded in 1953 (William F. Buckley was its first president), ISI has served as a conservative counterweight to campus leftism.
