CHRISTWALK MINISTRY TEAM Our ministry team is a family! No perfect people are allowed on this team. God has brought us together, this battered band, to be a "Sure Peg" in the mountains of North Georgia.

Our Team | Christwalk Church & Ministry Center

At Christwalk Church, Jesus is our message and people are our mission. We hope these messages encourage you to live for something more!

Improve your mental, physical, and spiritual health with this 40-day program for individuals or groups. There are so many things we try to do in one day. It 's difficult to make time for prayer, healthy eating, exercise, work, and time with our families. However, Anna Fitch Courie has discovered that all of it is possible through Christ-centered living, and that 's what Christ Walk is all about. In Christ Walk, Courie outlines a 40-day program for individuals and groups to focus on improving physical health while engaging in spiritual and mental reflection and growth. Each chapter is a daily meditation on different aspects of mind, body, and spiritual health tied to biblical teachings and Christian traditions. The appendices also include a guide to healthy eating habits, suggested walking routes, and steps on how to start a youth Christ Walk group. Whether you 're looking to improve your health or the health of your family or congregation, Christ Walk is a wonderful way to make it happen.

Take your children and youth for a walk with Jesus

Outlines a 40-day program for individuals and groups to focus on improving physical health while engaging in spiritual and mental reflection and growth. Simultaneous eBook.

- Applies popular Christ Walk approach as a path to reconciliation and healing • Combines physical and spiritual avenues in a holistic program that anyone can use " Walk it off, " that much-used advice of coaches, turns out to work in the spiritual realm, too. Take a walk with Anna and David as they explore reconciliation and healing using the best-selling framework found in Christ Walk: A 40 Day Spiritual Fitness Program. Through their own experiences with moral injury, illness, and trauma, the authors have found that sometimes the best way to deal with stressful experiences is by moving their feet. Over the course of forty days, readers will experience God in each stage of the healing process in tandem with a biblically inspired journey.

The Christ-Walk journal is a tool designed to help any believer discover God, obey His voice, and share their relationship with Him! Walking with God and teaching others to do the same is what the disciple of Christ does. At the core of who you are as a believer is the reality that God made you to multiply. As you live connected to God through the Word of God and prayer, your life will have impact on those around you - the impact of the life of Christ lived out through you. This is The Christ-Walk.

- Builds on success of Christ Walk (for adults) -- an ecumenical audience • Promotes healthy, Christian exercise for tweens and teens • Provides a pathway for youth to healthy, biblically based practices Developed as a companion to Christ Walk: A 40-Day Spiritual Fitness Program, new Christ Walk Kids is an exciting 40-day journey for youth (ages 11 and up) to explore mind, body, and spiritual health while setting physical goals by committing to walk different routes based on routes in the Bible. Each chapter explores a topic that everyone thinks about, but not everyone knows how to address. Anna Courie opens up a discussion with youth about health topics they think and talk about among themselves, but puts the dialogue in the perspective of spiritual development. Key to the success of this outline is that each day there are topics for youth and parents and/or youth leaders to use as they explore health in a safe environment. Youth are encouraged to participate fully in the Christ Walk program by physical challenges (walking, running, or biking "biblical " routes); mental challenges (deep discussion and thoughtfulness of youth health risks); and spiritual challenges (biblical references and spiritually grounded self-development). Youth and parents are urged to participate together in the Christ Walk program so that the church can address the health of the entire family holistically: mind, body, and spirit.

The Christ-Walk Journal, Thee Generation Youth Edition, is a simple tool designed to help you walk with God and teach others to do the same.
