Here's a thoughtful, probing exploration of why Christians get stuck in the place of complacency, dryness, and tedium -- and how to move on to new levels of spiritual passion! Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm -- only to get bogged down in a "borderland" -- an in-between space beyond the "old life" but short of the abundant, adventurous existence promised by Jesus. Citing Jonah, he examines the problem of "borderland living" -- where doubt, disappointment, guilt, and wonderlessness keep people in a quagmire of mediocrity -- then offers solutions ... effective ways to get unstuck and move into a bold, unpredictable, exhilarating walk with Christ. Inspired writing!

Coffee. . .tea. . .or a pastry chef sweeter than any confection. . . Scotch trifle fit for Queen Victoria, scones with clotted cream. . .Alys Redcake knows the way to a man's heart. Yet she is unaware that with each morsel--and flash of ankle--she is seducing the handsome marquess frequenting her father's tea shop. Unmarried at twenty-six, Alys's first love is the family business. But thoughts of the gentleman's touch are driving her to distraction. . . With his weakness for sugar, the Marquess of Hatbrook can imagine no more desirable woman than one scented with cake and spice. Mistaking Alys for a mere waitress, he has no doubt she would make a most delicious mistress. And when he finds himself in need of an heir, he plans to make her his convenient bride. Yet as they satisfy their craving for one another, business and pleasure suddenly collide. Will Hatbrook's passion for sweets--and for Alys--be his heart's undoing? 85,000 Words

grep Pocket Reference is the first guide devoted to grep, the powerful Unix content-location utility. This handy book is ideal for system administrators, security professionals, developers, and others who want to learn more about grep and take new approaches with it -- for everything from mail filtering and system log management to malware analysis. With grep Pocket Reference, you will: Learn methods for filtering large files for specific content Acquire information not included in the current grep documentation Get several tricks for using variants such as egrep Keep key information about grep right at your fingertips Find the answers you need about grep quickly and easily. If you're familiar with this utility, grep Pocket Reference will help you refresh your basic knowledge, understand rare situations, and work more efficiently. If you're new to grep, this book is the best way to get started.

Over the last twenty-five years, medicine and consumerism have been on an unchecked collision course, but, until now, the fallout from their impact has yet to be fully uncovered. A writer for The New Yorker and The Atlantic Monthly, Carl Elliott ventures into the uncharted dark side of medicine, shining a light on the series of social and legislative changes that have sacrificed old-style doctoring to the values of consumer capitalism. Along the way, he introduces us to the often shifty characters who work the production line in Big Pharma: from the professional guinea pigs who test-pilot new drugs and the ghostwriters who pen [scientific] articles for drug manufacturers to the PR specialists who manufacture [news] bulletins. We meet the drug reps who will do practically anything to make quota in an ever-expanding arms race of pharmaceutical gift-giving; the [thought leaders] who travel the world to enlighten the medical community about the wonders of the latest release; even, finally, the ethicists who oversee all that commercialized medicine has to offer from their pharma-funded perches. Taking the pulse of the medical community today, Elliott discovers the culture of deception that has become so institutionalized many people do not even see it as a problem. Head-turning stories and a rogue's gallery of colorful characters become his springboard for exploring larger ethical issues surrounding money. Are there certain things that should not be bought and sold? In what ways do the ethics of business clash with the ethics of medical care? And what is wrong with medical consumerism anyway? Elliott asks all these questions and more as he examines the underbelly of medicine.

Berlitz Pocket Guide Menorca is a concise, full-colour travel guide that combines lively text with vivid photography to highlight the very best that this sun-kissed island has to offer. The Where To Go chapter details all the key sights: from picturesque towns like Ciutadella, Fornells and Binibeca Vells, to graceful churches and a fabulous choice of stunning, family-friendly beaches. To inspire you, the book offers a rundown of the Top 10 Attractions in the island, followed by an itinerary for a Perfect Day in Ma. The What to Do chapter is a snapshot of ways to spend your spare time: the best places to shop for leather abarca sandals, the myriad hiking possibilities as well as the best beaches for watersports. You'll also be armed with background information, including a brief history of the island and an Eating Out chapter covering its delectable cuisine. There are carefully chosen listings of the best hotels and restaurants, and an A-Z to equip you with all the practical information you will need.

For anyone who has ever dreaded the blank page or struggled to find something to write and then agonized over how best to write it, or has simply found writing to be hard work, The Playful Way to Serious Writing breaks down common writing barriers and frees the writer within. Drawing on extensive experience in teaching creative writing and a lifetime of free artistic expression, Roberta Allen, novelist, short story writer, and author of Fast Fiction, has created a unique book of writing exercises packed with hundreds of verbal directives and visual cues. The key, Allen says, is ENERGY, "the force behind the words, the desire to bring forth something that has never before existed." Allen's ENERGY METHOD, which focuses creativity without interruption or that nagging inner critic, can be used for any type of creative effort at any level -- stories, novels, plays, memoirs, sketches, journals, and more. Attractive, engaging, funny, and free ranging, The Playful Way to Serious Writingis more than just a writing guide -- it is an endless sourcebook of ideas and a trusted creative companion.

The hardcover, fully updated edition of the only multi-craft trade guide Respected by generations of skilled workers, Audel Millwright's and Mechanic's Guide is the only trade manual to cover maintenance and troubleshooting for all the mechanical trades in a single volume. Now available in hardcover, it covers the newest equipment on shop floors as well as older machinery, sometimes more than 30 years old, for which little maintenance and repair information remains available. Millwrights, mechanics, machinists, carpenters, pipe fitters, electricians, engineers, and those who supervise them will find this book invaluable. The only hardcover maintenance and repair manual to cover all the mechanical trades in one guide This updated guide covers new industrial machinery as well as 30-year-old equipment for which little information can be found Essential for those who repair machinery as well as machinists, carpenters, pipe fitters, electricians, millwrights, mechanics, engineers, mechanical technicians, industrial maintenance managers, and construction tradespeople This hardcover edition of Audel Millwright's and Mechanic's Guide is as valuable to today's skilled workers as previous editions were to their fathers and grandfathers.

The exciting sequel to an original Minecraft adventure After a shocking betrayal, Zan and his team mates gear up for their next mission. Using their team mates unique talents, they put together a plan that will help them win the King's Games. Someone is determined that this doesn't happen though.... After having their supplies and armour stolen, they need to regroup and re build their defenses from the ground up, literally. They win their next battle but make a powerful entity nervous about their success and Zan's quest for the truth and a trip home. Nervous enough to ban Zan to the Nether Realm. There he finds an unexpected supporter that tells him how to defeat the game and return his world to what it was before. Armed with this knowledge he returns only to find another member of his team gone. Will they find them in time or will they be stuck in the game forever? This is the exciting sequel to the hit book "Minecraft Takeover." Join Zan and his friends as they learn to embrace their unique abilities and battles bullies all while in the exciting world of one of today's most popular games, Minecraft.
