He was just a man one did not push. He carried a long-bladed knife that he usually shaved with on the trail. Or fought with, whichever was the most important at the time. He'd been raised among old mountain men and some called him the last mountain man. His clothing was earth-tones, his hat brown and flat-brimmed.

Contains two Smoke Jensen novels, including "Pride of the Mountain man," where Smoke and Wyatt Earp go up against a gang in Dodge City, and "Code of the Mountain Man," where Smoke tracks down the gang that shot and injured his wife.

Gold Rush The gold-mining town of Red Light, Montana is the kind of backwater hole less famous for the folks that live there than the ones who die there. Like Janey Jensen, Smoke Jensen's sister. Smoke never would have come back if it hadn't been for her estate. But that isn't the only thing the Last Mountain Man's got to settle. . . .
Blood Rush There's also the score between him and Major Cosgrove. The man who owns Red Light—lock, stock and barrel—is six feet of trouble looking for somebody like Smoke to bring out the worst in him. It seems Janey's land is worth a small fortune—and

Cosgrove is laying his claim. All that stands between Cosgrove and the gold is an avenging gunslinger with a blazing .44—and a damned good reason to use it!"

Despite the warnings of ranchers, Smoke Jensen and his trail herders head north out of Colorado, taking 3,500 head of cattle into the gunfire of Clint Black, the fiercely competitive and power-hungry rancher whose land they must cross. Reissue.

When thirty brutal killers and thieves escape from prison and leave a bloody trail of murder and mayhem, Smoke Jensen makes it his mission to stop them and finds himself face-to-face with an enemy from his past who is bent on revenge. Original.

When a greedy bounty hunter, believing that he can use an old warrant and still get a \$10,000 reward for killing Smoke Jensen, kidnaps Smoke's woman, Smoke, hell-bent on revenge, sets out to rescue her in a blaze of glory that will only leave one man standing--Smoke Jensen. Original.

William W. Johnstone's vivid, uncompromising novels stand as violent portraits of the rugged American frontiersman and the forces that forged him. In this powerful novel, Johnstone tells the story of a young Missourian forced by fate and violence into lawlessness--where he sees a chance to right the wrong that shattered his family and his soul. . . Smoke Jensen is a young man raised on loss and bitterness, nurtured by a mountain man named Preacher. Now, Smoke Jensen, with his, a new black horse and an

old grudge, slips over the unmarked border into the turbulent Idaho Territory. Ahead is a town called Bury, built on stolen gold, and run by a band of ruthless men who had a hand in the murder of Smoke's brother in the Civil War. Smoke's father died in pursuit of those killers, but urged his son not to waste his life in vengeance. . . Swift, powerful and poetic, Return Of The Mountain Man is an action-packed tale by William W. Johnstone, an American master--and a great chronicler of our harsh and often unforgiving last frontier. Return of the Mountain Man "What do you mean, I can't come in?" Buck said, standing on the front porch of the Pink House.

There's Nothing A Man Won't Do To Clear His Name They called him fastest gun alive, but Smoke Jensen is determined to stay on the right side of the law. That is, until he's jumped by six low-life

robbers who steal his shirt--and his identity. Smoke's tried for robbery and murder, and sentenced to hang in morning. Someone's out to frame the Mountain Man . . . someone who's made a big mistake. Justice--Mountain Man Style Barely managing to escape on the morning of his hanging, Smoke's going after the desperados who've set him up. The gang thinks they have nothing to fear; they've already divided up the loot and gone their separate ways. But Smoke's going to hunt them down one by one. Because nobody frames the Mountain Man. Nobody who plans on staying alive, that is . . .

Blood On The Range Smoke Jensen couldn't have cared less that a range war had erupted in Montana. But his cousin Fae was stuck right in the middle of a hundred-gun showdown that was about to

explode in bullets and blood. When Smoke trapped on his Colts and went to Fae's aid, he knew the deck was stacked against him. Even when he was joined by four old friends, it looked like it was going to be his final stand. But if anyone could buck the odds, it was Smoke Jensen, the last mountain man.

Six-Gun Justice. . . Smoke Jensen was the last mountain man and the quickest draw in the West. But he was tired of fighting every punk who wanted to make a reputation for himself, so he hung up his .45s. It Didn't Last Long. . . Like Jensen, the two Mexican gunfighters known as Carbone and Martine had put away their six-guns, married and turned to ranching down in Durango. Then they came up against an army of outlaws under a warlord who called himself Carvajal. That was when they called on Smoke Jensen.

Smoke didn't waste a minute. When your friends called, you came running. Carvajal laughed when he heard that Smoke Jensen was on the way. After all, what could one man do?"
