(Percussion). Modern Drum Set Stickings features: drum set sticking charts in duplet and triplet applications; a drummer's checklist for instant musical advancement in melody, subdivisions, basic stickings, orchestration, pulse, dynamics and resolution points; plus audio with more than 90 examples of grooves and solos in different styles using the sticking chart.

The purpose of this book is to take rhythmic figures, originally learned on the snare drum, and apply them to the drumset. In doing this, the student is introduced to several cross sticking and drum-to-drum patterns using eighth, triplet and sixteenth notes. This approach to the drumset is an excellent way to develop the coordination and speed of getting around the drums with ease, while also helping with soloing.

(Meredith Music Percussion). The most comprehensive drum set text available. Written by world-renown performer and clinician Ed Soph, this book provides an intelligent and practical approach to drum set playing for performers at any level.
