support planning, execution, and settlement processes for plant maintenance measures. Project team leads and key users will benefit from step-by-step configurations and best practices, and will learn how to avoid common obstacles.

SAP Plant Maintenance (SAP PM) Configuration | Book an ...

OEE provides an option to trigger creation of plant maintenance (PM) notification in ERP from the OEE dashboard. You can trigger notifications for downtime events already reported or trigger one when reporting a new downtime. In case a machine needs maintenance, you can also trigger a notification without reporting an associated downtime event.
