Country Chic Paint

Look out for design classics or traditional pieces with crisp silhouettes. Often echoing classic items, these tend to be a good fit for country houses, and their crisp, latter-day styling works surprisingly well with a mix of antiques. Equally, furniture that is not usually seen in a domestic setting can look unique and modern.

unexpected, simple, integrated, old, and new.

Country style for modern living.

Country Chic has always been a popular decorating style and it is not hard to see why - country

Inspired by the sun-drenched colours of Southern France, French country orrovenal decorating is as fitting in the city and suburbs as in rural areas.ut how does one go about achieving the provencal ambience?

"This is the new 'gotta have' guide to Oregon's wine country."□Jean Yates, President, Avalon Wine, Corvallis This guide to Oregon's burgeoning wine scene provides exhaustive coverage of the entire state, from the renowned Willamette Valley to the distant Umatilla Valley. It is the guidebook for oenophiles who want to learn about Oregon's wineries, and for anyone who enjoys great wine and longs to see more of this diverse and beautiful state. Included are wineries with and without official tasting rooms as well as those that are open only by appointment. The authors also provide a wide array of dining and lodging suggestions and spotlight unique attractions, recreation options, and natural wonders for travelers to seek out in their spare time. As in every Explorer's Great Destinations title, detailed maps

and the authors' insider knowledge make this book a must-have for travelers and residents alike. A unique and practical Great Grape Destinations checklist rounds out this invaluable resource. Use it to help you enjoy your trip to Oregon's vibrant cities and towns, stunning countryside, and of course—distinctive wineries. Includes: history, getting around, wineries, lodging, dining, attractions, recreation, shopping, and more!

Valuable flea market finds... A peeling, antique vanity in muted sea green... An elegant, cracked chandelier... An enormous, slipcovered sofa with deep, cushions... Comfort, the beauty of imperfections, the allure of time-worn objects, and the appeal of simple practical living: these are the cornerstones of what has come to be known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the first time provides her invaluable and much-sought-after advice on how to re-create Shabby Chic style in your own home. With engaging text and easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash—an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage
