Don't wait for that promotion! Start leading NOW...right where you are! What's the number one question leadership expert John C. Maxwell is asked while conducting his leadership conferences?

“ How can I implement what you teach when I'm not the top leader? ” . Is it possible to lead well when you're not the top dog? How about if the person you work for is a bad leader? The answer is a resounding yes! Welcome to *The 360° Leader*. People who desire to lead from the middle of organizations face unique challenges. And they are often held back by myths that prevent them from developing their influence. Dr. Maxwell, one of the globe's most trusted leadership mentors, debunks the myths, shows you how to overcome the challenges, and teaches you the skills you need to become a 360° leader. If you have found yourself trying to lead from the middle of the organization, as the vast majority of professionals do, then you need Maxwell's insights. You have a unique opportunity to exercise influence in all directions—up (to the boss), across (among your peers), and down (to those you lead). The good news is that your influence is greater than you know. Practice the disciplines of 360° leadership and the opportunities will be endless . . . for your organization, for your career, and for your life.

The Navy Operations & Planning SMARTbook outlines the Navy operational-level fundamentals, command, control, and organization. It is also a bridge between the theory of operational art and the practical specific guidance that Navy commanders and staffs require to accomplish their mission. It is prepared to complement existing joint and Navy doctrine and provides a general guide to the application of command at the operational level of war and the staff organization and functionality required to support the operational commander. The U.S. Navy is an instrument of national power, employed to prevent conflict and, if necessary, prevail in war. It is organized, trained and equipped

primarily to fight at and from the sea and to influence events on land. Unlike the other components of the joint force, the maritime component routinely conducts operations across all of the domains, described as air, land, maritime, space, and the information environment. *** Find the latest edition of this book and the rest of our series of military reference SMARTbooks at the publishers website: www.TheLightningPress.com ***

“ The 21 Indispensable Qualities of a Leader gets straight to the heart of leadership issues. Maxwell once again touches on the process of developing the art of leadership by giving the reader practical tools and insights into developing the qualities found in great leaders. ” - Kenneth Blanchard, Coauthor of The One Minute Manager® “ Dr. John Maxwell is the authority on leadership today. His innovative yet timeless principles on how to effectively lead others have personally impacted my life and my business. This is a must-read for any organization that wants to succeed in the new millennium. ” -Peter Lowe, President of Peter Lowe International and Peter Lowe ’ s SUCCESS Seminars “ My dear friend John Maxwell has proven his ability to lead leaders. I anticipate learning even more from his new book. ” -Max Lucado, Author of Just Like Jesus

This manual comes to life through the voices, writings, and examples of not one person, but many. Thousands of Americans who have borne, and still bear, the title "Marine" are testimony that "Once a Marine, Always a Marine."
