Focusing on the investigation phase of criminal procedure, *Criminal Procedure: Investigation* combines Laurie L. Levenson's first-hand experience in the criminal justice system with Erwin Chemerinsky's student-friendly writing style. The Third Edition examines the impact of a host of recent developments in the courts and legislature on the process investigating crime. It eschews reliance on rhetorical questions and law review excerpts in favor of comprehensive exploration of black letter law and trendsetting policy issues. The book utilizes a chronological approach that guides students through criminal procedure doctrine from rules governing law enforcement investigation to matters related to habeas corpus relief. In addition to presenting the perspectives from various stakeholders, the authors take care

For nearly fifteen years, *Criminal Procedure: Principles, Policies and Perspectives* (and their softcover versions, *Criminal Procedure: Investigating Crime* and *Criminal Procedure: Prosecuting Crime*), written by Joshua Dressler and George C. Thomas III, have sought to inspire students to analyze and critique constitutional and non-constitutional criminal procedure doctrine. The book features careful case selection and editing that includes dissenting and concurring opinions when useful in understanding the law. The Fifth Edition covers the recent changes in constitutional law,

including in the Fourth Amendment (e.g., "search" law; broader warrant exceptions; and the recent narrowing of the exclusionary rule); interrogation law (e.g., changes in *Miranda v. Arizona* and in the sixth amendment right to counsel that make it easier for police to interrogate suspects and defendants); pretrial identification of suspects, and the confrontation clause. As in the past, the casebook includes "in the trenches" material, designed to give students an idea of what life is like inside the squad car, the interrogation room, and the courtroom.

new authors join the editorial team: Jenia I. Turner of SMU Dedman School of Law and Kay L. Levine of Emory University School of Law. With her doctoral training in Socio-Legal Studies and her balanced experience as a prosecutor and a defense attorney in state court, Professor Levine sharpens the focus of the book on the real-world operation of courtroom actors in high-volume state systems. With her background in international criminal tribunals and comparative criminal procedure, Professor Turner strengthens the comparisons between court systems in the U.S. and those around the world. As experienced and celebrated classroom teachers, both Professors Turner and Levine bring closer attention to student learning needs in every chapter of the book. More examples and discussion

demonstrate the effects of new technologies on criminal procedure. A revamped Chapter 1 offers a deeper exploration of competing models of policing and useful background about policing organizations. Reorganized Chapters 2 and 7 introduce students to the shifting analytical frameworks that the U.S. Supreme Court now employs to evaluate searches in the context of technological devices that store and collect large amounts of data. Chapter 6 relies on current newsworthy debates about police use of force to explore the alternatives and supplements to the exclusionary rule remedy. Professors and students will benefit from: Materials that support class discussion, including criminal justice actors beyond the Justices of the U.S. Supreme Court: the vision is "street level federalism" Materials that portray the range of
