The first edition of Perspectives was published in 2017 and is available in the archive. This book is licensed under a Creative Commons Attribution-NonCommercial 4.0 International ...

~~Perspectives: An Open Invitation to Cultural Anthropology~~

Cultural relativism is the idea that a person's beliefs, values, and practices should be understood based on that person's own culture, and not be judged against the criteria of another.. It was established as axiomatic in anthropological research by Franz Boas in the first few decades of the 20th century and later popularized by his students. Boas first articulated the idea in 1887 ...
