Dark Union (The Descent Series Book 3) eBook: Reine, SM ... Dark Union is book #3 in the Descent series. Although I love this series, this installment fell a little flat. This book is more emotionally darker than the others. Anthony and Elise are grieving for their loss of Betty and James is barely present. We watch Anthony slip further into depression and overall sadness.

It's been five years since she killed her last enemy, and life has been quiet since then. She went to college. Got a job, and then lost it. Made a friend or two. Lived a normal life. Now her former partner, a powerful witch named James Faulkner, wants Elise to fight one more time. The daughter of a coven member has been possessed, and Elise is the only exorcist nearby. Becoming a hero again would mean risking discovery by old enemies. But digging into the case reveals that it might already be too late--bodies are disappearing, demons slither through the night, and the cogs of apocalypse are beginning to turn. Some enemies aren't willing to let the secrets of the past stay dead... THE DARKEST GATE When Elise Kavanagh retired from demon hunting, she swore it would be permanent. But an attack from a powerful necromancer forced her back into the business, and now she's trying to balance her normal boyfriend and normal job with everything supernatural. Mr. Black is a demon hunter gone rogue. He's enslaving angels and stealing ethereal artifacts in pursuit of forbidden immortality, and an old grudge drives him to make his final stand in Elise's territory. Destroying her life and killing her friends isn't the goal, but it's a definite perk. A demonic

overlord offers to join against Mr. Black and protect Elise's loved ones. All she needs to do is ally with the demons she's sworn to kill, at the cost of her morals--and maybe her immortal soul. But once she crosses that line, there's no turning back. Nothing is sacred when Heaven and Hell collide on Earth... DARK UNION Every fifty years, the most powerful ethereal and infernal beings convene on Earth to resolve conflicts with mediation by kopides--humans born to police relations between Heaven and Hell. They're meeting in Elise Kavanagh's territory this year, and she used to be the greatest kopis in the world. But she's not invited. An old friend, Lucas McIntyre, asks her to attend the summit in his place. But when she arrives, she discovers that a human faction called The Union has taken charge of the summit, and they're not playing nice. Worse yet, someone has killed a prominent Union member... and now they're demanding blood. dark urban fantasy, demon hunter, exorcist, fallen angels, witches, witchcraft, occult supernatural, free fantasy book, bargain fantasy book, urban dark fantasy, paranormal romance, werewolves, werewolf pack, free, freebie keywords: urban fantasy, paranormal romance, urban fantasy romance, werewolf romance, shapeshifter romance, angels, demons, science fiction romance, free urban fantasy novel, free books, free paranormal, exorcist, urban fantasy series

There ' s something in the earth deep below Elise Kavanagh ' s territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it ' s coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she ' s come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there ' s no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

It ' s been almost a year since Rylie Gresham was bitten by a werewolf on Gray Mountain. Now something is beckoning her back to the place she was attacked, along with every other werewolf in the world. But they aren ' t the only ones heeding the call. A group of hunters notices them gathering and sees it as their chance to wipe out the entire species. Seth is about to graduate high school when he learns of the final hunt. He secretly plans to save Rylie and his werewolf brother even though he has to play along with the hunters to do it. But Rylie doesn ' t want to be saved. She ' s already decided to solve her problems with a silver bullet if answers aren ' t waiting on Gray Mountain. One way or another, everything is about to end—whether it means Rylie ' s liberation or the end of her life...

Abby is looking forward to watching the moon turn purple, unaware that bacteria from a passing comet will soon kill off older teens and adults. She must help her brother and baby sister survive in this new world, but all the while she has a ticking time bomb inside of her--adolescence.

Elise Kavanagh is being held captive without weapons or allies. The only way out of the garden is to kill God Himself. James Faulkner 's son has been taken by Metaraon, but James is caught in Limbo and helpless to save him. An army of half-angel, half-demon hybrids is converging on the gates of Heaven, where the Union prepares for a final battle. The end has arrived.

Planning algorithms are impacting technical disciplines and industries around the world, including robotics, computer-aided design, manufacturing, computer graphics, aerospace applications, drug design, and protein folding. This coherent and comprehensive book unifies material from several sources, including robotics, control theory, artificial intelligence, and algorithms. The treatment is centered on robot motion planning, but integrates material on planning in discrete spaces. A major part of the book is devoted to planning under uncertainty, including decision theory, Markov decision processes, and information spaces, which are the 'configuration spaces' of all sensor-based planning problems. The last part of the book delves into planning under differential constraints that arise when automating the motions of virtually any mechanical system. This text and reference is intended for students, engineers, and researchers in robotics, artificial intelligence, and control theory as well as computer graphics, algorithms, and computational biology.

Russia employs a sophisticated social media campaign against former Soviet states that includes news tweets, nonattributed comments on web pages, troll and bot social media accounts, and fake hashtag and Twitter campaigns. Nowhere is this threat more tangible than in Ukraine. Researchers analyzed social media data and conducted interviews with regional and security experts to understand the critical ingredients to countering this campaign.
