They're caught in a centuries old spell, steaming with fiery passion ...an exciting, exhilarating and different story that was so refreshing to read. It is a different twist on elemental magic that is mixed with witches and warlocks. The story is full of suspense, action, danger and romance. For the survival of his clan, Jack Flalko needs to mate with a witch of equal power before the end of the solstice. He finds the perfect woman, except for one flaw. She has no idea how to engage in the dangerous magical foreplay - the duel for equality. The task of training her in two days seems insurmountable, especially while his need throbs. Zoe is a warrior-healer hybrid. The trouble is, she has no idea what that means. It's all a harmless game until one night a dominant, brooding, handsome-as-sin warrior touches her and ignites a shameless craving to mate. Zoe must decide if the scorching chemistry between them is worth fighting for. Can love and lust exist together in an exhilarating magical combination or will they combust? Time is running out...

Shameless Cravings. Wicked Pleasures. Can she survive a bond more powerful than love? For the survival of his clan, Jack Flalko needs to mate with a witch of equal power before the end of the solstice. He finds the perfect woman, except for one serious flaw. She has no idea how to engage in the dangerous magical foreplay-the duel for sexual equality. The task of training her in two days seems insurmountable, especially while other warriors are trying to kidnap her. Zoe is a warrior-healer hybrid. The trouble is, she has no clue what that means. It's all a harmless game until one night a dominant, brooding, sexy-as-sin warrior touches her and ignites a shameless craving to mate. Zoe must decide if the scorching chemistry between them is worth fighting for. Can love and lust exist together in an exhilarating magical combination? Or will their bond combust?

Humor, Heat, Action and Sass... Read them all! "What the heck are you doing here? I could've killed you!" "Sugar, I strolled on up, whistling. I figured you couldn't miss me." A dick in Manhattan? You've got to be kidding me. Don't get me wrong. I respect she's got plenty of attitude. I especially hold her Uncle Vinny, a mob boss, in high esteem. Both he and her police-chief father explain how I should book my own funeral if I mess with her. Not much for authority, I thank them for their concern. However, she's mine and I plan on keeping her. When she goes missing, at first I figure she's miffed. Yeah, I may not always take her career as seriously as she'd like. But hey, didn't I help her solve the missing-cat-caper? That should count for something, right? When she doesn't answer my texts, I check with her family and my stupid heart stops. Where the hell is she? Suds and Sam will make you laugh and yet keep you turning one more page all night long. Grab your copy now. Note: Beware of healthy, passionate, party-melting scenes. No cliffhangers. Happy ending guaranteed.

"Powers writes action and adventure that Indiana Jones could only dream of." -Washington Post "Tim Powers is a brilliant writer." -William Gibson The remarkable Tim Powers-who ingeniously married the John Le Carré spy novel to the otherworldly in his critically acclaimed Declare-brings us pirate adventure with a dazzling difference. On Stranger Tides features Blackbeard, ghosts, voodoo, zombies, the fable Fountain of Youth-and more swashbuckling action than you could shake a cutlass at, as reluctant buccaneer John Shandy braves all manner of peril, natural and supernatural, to rescue his ensorcelled love. Nominated for the Locus and World Fantasy Awards, On Stranger Tides is the book that inspired the motion picture Pirates of the Caribbean: On Stranger Tides-non-stop, breathtaking fiction from the genius imagination that conceived Last Call, Expiration Date, and Three Days to Never.

What if all I got isn't enough? When you get right down to it, I am one mean sonovagun and make no apologies. You can't own a billion-dollar company and be anything less. There's just one thing I regret. I'm turning into the person I hated most growing up but even he had the decency to walk out. Me, not so much.Unwilling to lose everything that matters, I plan a vacation on a tropical island. What better place to reconnect with my wife and baby girl?I never would've guessed trouble brews in paradise. Am I man enough to save my family? Myself?Beware: If you don't like passion with a lot of action and a smidgeon of violence, you may want to pass on this one.

They were masters of the darkness, searching through eternity for a mistress of the light... Lead guitarist of the Dark Troubadours, Dayan was renowned for his mesmerizing performances. His melodies stilled crowds, beckoned, seduced, tempted. And always, he called to her. His lover. His lifemate. He called to her to complete him. To give him the emotions that had faded from his existence, leaving him an empty shell of growing darkness. Save me. Come to me. Corinne Wentworth stood at the vortex of a gathering storm. Pursued by the same fanatics who'd murdered her husband, she was risking her life by keeping more than on secret. Fragile, delicate, vulnerable, she had an indomitable faith that made her fiery surrender to Dayan all the more powerful. This was the e woman whose loss would destroy him, even as her love promised to heal his soul.

This is a true story of a city and its people, seemingly making a wrong turn on the road to a better life, and having to live it while hoping for change. The story reads like a B-Movie with high crime, political corruption, illicit sex and bank robberies, mixed with violence, mystery, myth and Indian lore. While laughable at times, the story profiles many of the people and the experiences associated with them, as object lessons in perseverance, faith and determination in overcoming adversities in their city. Desert Hot Springs is a historical place in the Imperial Desert of California high above the Desert Floor identified today as Coachella Valley. The area, once roamed by the Cahuilla and Agua Caliente Indians, became home to Cabot Yerxa, one of the Valley's earliest known settlers in 1913, whose adobe house still stands as a museum and monument to the pioneering spirit of America. According to public records, the local Chamber of Commerce and Mission Springs Water District, the area boasts some of the finest drinking water in the United States, and an abundance of underground mineral spring water rushing to the surface from 105 degrees to 125 degrees in 44 Boutique spas. It is also a place where local lore and some enthusiasts believe there is an "Energy Vortex" in the center of the city creating mystic powers for residents and visitors. Most early settlers of the area were homesteaders, who qualified and secured their 160-acre parcel ownership by constructing the required one-hundred square foot "home" as established by the Homestead Act of the U.S. Government and signed by President Abraham Lincoln in 1862. The law took effect on January 1, 1863. Now, the city within its boundaries is financially, and infrastructure challenged. There is a small but very active constituency of citizens working as volunteers on civic projects throughout the city, many of whom believe the "natural wonders" of the medicinal quality of "miracle hot spring waters"; the pure drinking water and the "Energy Vortex" will bring prosperity to the city. So far, this hasn't happened.

Camden McMahon has never trusted witches. He's willing to temporarily overlook his animosity and work with a coven in order to put an end to the threat against his family. Then he meets the daughter of their high priestess, a gifted witch in her own right-and Camden's fated mate. Selene Trevil has always treasured the magic which flows through her veins. Until it calls out to Camden and marks him as her intended consort. A relationship between a shifter and a witch is unheard of, but resisting his pull is impossible. Will Camden and Selene have to bear the burden of the past? Or will their love be enough to overcome all the obstacles standing in their way? This is the third McMahon Clan book, a spin-off from the Black River Pack stories. Each novella features a different couple.

Year of our Lord, 1276. In the hours just before dawn, blasphemous curses echo throughout the stone manor. A knife clatters to the floor, and a feisty young widow is bound, blindfolded, and led to the marriage altar. The king couldn't possibly have sanctioned this farce of a marriage, could he? After all, she alone transformed a few mud huts and starving serfs into a flourishing town, never once hesitating to pay generous taxes to his royal kingdom. Abandon her beloved people to be ruled by her new husband, an ignorant Templar knight? Never! the Lady Ann vows. A murderous witch for a wife? The Beast of Thornhill finds himself in the middle of either a cruel jest or an evil conspiracy. After returning from the Holy wars, he accepts bestowment of a small parcel of land in return for saving King Edward's life. But the reward comes with a warning regarding the estate's mistress. Despite his insatiable attraction to the black-haired beauty, he allows her time to warn to him while observing her strange, forward-thinking ways. But when all is on the line, will he stand by her through the inquisition or will they both hang for her secrets?
