Denon AVR-4802 Operating Instructions Manual
The receiver which this review addresses is the Denon 4802R, a revised version of the original 4802, which basically added THX Ultra certification along with a few other goodies I was familiar with the Denon line, having owned a Denon 3000 integrated amplifier and separate Denon tuner for the past 10+ years. Consequently, when deciding to upgrade my system, my search began with, and
