Today, organizations face tremendous challenges with data explosion and information governance. InfoSphere™ Optim™ solutions solve the data growth problem at the source by managing the enterprise application data. The Optim Data Growth solutions are consistent, scalable solutions that include comprehensive capabilities for managing enterprise application data across applications, databases, operating systems, and hardware platforms. You can align the management of your enterprise application data with your business objectives to improve application service levels, lower costs, and mitigate risk. In this IBM® Redbooks® publication, we describe the IBM InfoSphere Optim Data Growth solutions and a methodology that provides implementation guidance from requirements analysis through deployment and administration planning. We also discuss various implementation topics including system architecture design, sizing, scalability, security, performance, and automation. This book is intended to provide various systems development professionals, Data Solution Architects, Data Administrators, Modelers, Data Analysts, Data Integrators, or anyone who has to analyze or integrate data structures, a broad understanding about IBM InfoSphere Optim Data Growth solutions. By being used in conjunction with the product manuals and online help, this book provides guidance about implementing an optimal solution for managing your enterprise application data.

An Invaluable Reference for Members of the Drilling Industry, from Owner–Operators to Large Contractors, and Anyone Interested In Drilling Developed by one of the world’s leading authorities on drilling technology, the fifth edition of *The Drilling Manual* draws on industry expertise to provide the latest drilling methods, safety, risk management, and management practices, and protocols. Utilizing state-of-the-art technology and techniques, this edition thoroughly updates the fourth edition and introduces entirely new topics. It includes new coverage on occupational health and safety, adds new sections on coal seam gas, sonic and coil tube drilling, sonic drilling, Dutch cone probing, in hole water or mud hammer drilling, pile top drilling, types of grouting, and improved sections on drilling equipment and maintenance. New sections on drilling applications include underground blast hole drilling, coal seam gas drilling (including well control), trenchless technology and geothermal drilling. It contains heavily illustrated chapters that clearly convey the material. This manual incorporates forward-thinking technology and details good industry practice for the following sectors of the drilling industry: Blast Hole Environmental Foundation/Construction Geotechnical Geothermal Mineral Exploration Mineral Production and Development Oil and Gas: On-shore Seismic Trenchless Technology Water Well *The Drilling Manual, Fifth Edition* provides you with the most thorough information about the "what," "how," and "why" of drilling. An ideal resource for drilling personnel, hydrologists, environmental engineers, and scientists interested in subsurface conditions, it covers drilling machinery, methods, applications, management, safety, geology, and other related issues.

In *How to Super Tune and Modify Holley Carburetors*, best selling author Vizard explains the science, the function, and most importantly, the tuning expertise required to get your Holley carburetor to perform its best for your performance application.

The book series *Linguistische Arbeiten (LA)* publishes high-quality work in linguistics that addresses current issues in synchrony and diachrony, theoretically or empirically oriented.

She will have her freedom, no matter the cost... Victoria Brighton refuses to be a pawn to to be played by her stepfather, who will stop at nothing to access her inheritance - including marrying her off to the cold and calculating Duke of Lansingberg. She escapes across the sea to the western prairies, unknowing what is ahead of her but intent that she will never again allow a man to dictate her future. He will honor his promises and hold his family together... Callum McDougall, future chieftan of the McDougall clan, is journeying to the North-West Territories to determine what has become of his missing cousin. Once his mission is complete, he will honor the family tradition and return to Scotland as chieftan to lead his clan. Together in the new world, what will the future hold? Callum and Victoria fight their intense attraction to one another, as Callum must return to Scotland while Victoria vows to remain true to herself. Soon, however, they find themselves unlikely allies in their respective predicaments. With a future continents apart, will they succeed in denying their growing feelings for one another, or will love prevail?

NEW YORK TIMES BESTSELLER "A beautiful book." - Jo Good, BBC Radio London "When Harry Met Minnie made me cry and made me dance with joy. It's an exquisite tale about heartbreak and healing, critters and humans, and the little miracles life hands us when we need them the most." - Jeannette Walls, New York Times bestselling author of *The Glass Castle* and *Half Broke Horses* There are true fairy tales. Stories that exist because impossible-to-explain coincidences change everything. Except in real life, not all of them have conventional, happily-ever-after endings... This Manhattan tale of laughter and tears charts the Nora Ephron-esque love story between two "complicated" dogs, Harry and Minnie, and the gift of unexpected friendship they gave to their owners, Carol and Martha. Carol, who is dying of cancer caused by the toxic pollution in New York in the aftermath of 9/11, needs someone to take care of Harry, who is a 'great listener but does have a problem with large dogs. He is great with smaller dogs. If he sees a hose he will destroy it to protect you. He will figure out ways to let you know exactly how he feels'. When Martha has a chance encounter with Carol's friend, he can't help but notice Minnie, 'oh those chunky little legs', and so the matchmaking begins. After a disastrous first meeting, when Minnie doesn't appear to think much of Harry (who is super keen), things improve and soon they are inseparable. As Carol's illness progresses, so a new friendship and community blossoms, Carol's Club. The bonds that grew changed Martha's life, Carol's life, Minnie's life and Harry's life. And they changed Carol's death as well. In this rich and touching narrative, Martha considers the ways our stories are shaped by the people we meet, and the profound love we can find by opening our hearts to unexpected encounters.
