Separations in marriages or seriously committed, longer-term relationships are different from the breakups you have might have when you're dating.

Why Separations Usually Lead to Divorce | Psychology Today

By definition, legal separation is a court-issued order that allows spouses to live separately while still being married, i.e. without the legal finality that is said to be provided by divorce. Separation may also be called an alternative to divorce that continues to recognize one's marriage as legal and valid.

6 Key Differences Between Separation and Divorce

A legal separation is an alternative to filing for a divorce when spouses no longer wish to live together. Most of the issues that can be settled in a divorce are settled in a legal separation. Unlike a divorce, however, at the end of a legal separation the parties are still legally married and they are not legally able to remarry.

New York Legal Separation - New York Divorce Source

Separation Agreement vs. Divorce Agreement in New York Traditionally, a separation agreement would be a mirror image of a divorce agreement. It resolves issues related to children of the marriage, if any, and would provide for custody and parental access time , child support, and perhaps college education and support issues.

How and Why to Obtain a Legal Separation in New York

When it comes to separation and divorce, both matters are complicated, making it difficult for both parties involved in the relationship. Property settlement is also one of the issues that need to be resolved as well. It is crucial that you seek specialized legal advice, especially when it comes to property settlement. The process can be tedious and stressful.
