At one time Brandon Novak was the next Tony Hawk then he turned to drugs. Now he has been in recovery for six years.

The pro skateboarder and Jackass star comes clean about fame, addiction, and the road to recovery in this candid memoir\u2014forward by Tony Hawk. At seven, Brandon was a skateboard prodigy. By the time he was fourteen, he was living the dream. Discovered by skate legends Bucky Lasek and Tony Hawk, he started touring the U.S. with the elite Powell-Peralta team. Brandon had it all. Then he got hooked on heroin. Soon the up-and-coming star was living a down-and-out life in a garage, begging for change, and hustling to score his next fix. He stole from his family and friends. He pushed the fantasy that everything was okay, that he was going to rehab, getting help, and getting better. But it was all a lie. This is the story of an addict\u2014a dreamseller who stopped believing the lies he was selling and started believing in himself. With the help of his celebrity buddy Bam Margera of Jackass fame, Brandon joined the cast of MTV 's Viva La Bam and made an honest reach for sobriety. The road was hard, and he had some falls. But like any great skateboarder, Brandon Novak was always determined to get up again. This edition includes 24 pages of photos and a new epilogue.

During Brandon Novak's twenty-year stint as a heroin addict, he was a pro skateboarder, MTV celebrity (Viva La Bam, Bam's Unholy Union), a Jackass alumnus, star of Bam Margera's legendary CKY (Camp Kill Yourself) film series, and author of his best-selling memoir Dreamseller. Conversely, he's been arrested and jailed several dozen times! He's been homeless, and survived multiple drug ODs! He's escaped scores of self-induced life-threatening situations! So enjoy these outrageous tragic and comedic chapters from Novak's sordid yet victorious life, The Brandon Novak Chronicles.

Brandon Novak (Jackass, the CKY Video Series, etc.) comes clean about his heroin addiction, in the book that takes you on a dope binge from the streets of Baltimore to the film set of the classic TV show, MTV's Viva La Bam! SYNOPSIS: Brandon Novak was a teenage skateboarder. He rode for the elite Powell-Peralta team, but his lust for heroin led to a junkie's destiny on the streets of Baltimore. Dope dens, arrests, rehabs, and drug-tortured love triangles were business as usual for Novak, until his childhood friend and Jackass alumnus Bam Margera guided him to fame on MTV's Viva La Bam. Novak's newfound stardom led him down a self-destructive path that forced him to confront his past, and sculpt his future. A suspenseful action-packed biography, interspersed with moments of insight, humor, and inspiration. Over fifty pages of rare color photos, authentic arrest records, and court documents! ABOUT BRANDON NOVAK: Brandon Novak is a motivational speaker, actor, skateboarder, MTV celebrity, model, author, and recovered addict.

Bam Marger's personal writings, photos and drawings.

"It's mind-blowing to me how utterly far gone Steve-O was, and how he looks back on it in this book with such intelligence, humor, and searing honesty. What a truly unbelievable life." --Johnny Knoxville From his early days videotaping crazy skateboard stunts to starring in the Jackass movies, there was little that Stephen "Steve-O" Glover wouldn't do. Whether it was stapling his nutsack to his leg or diving into a pool full of elephant crap, almost nothing was out of bounds. As the stunts got crazier, his life kept pace. He developed a crippling addiction to drugs and alcohol, and an obsession with his own celebrity that proved really as dangerous. Only an intervention and a visit to a psychiatric ward saved his life. Today he has been clean and sober for more than three years. Professional Idiot recounts the lunacy, the debauchery, the stunts, the drug addiction, and the path to recovery with bravado, humor, and heart. "A great book to read before you get on the roller coaster to hell, if you plan on surviving to tell about it like Steve-O did." --Nikki Sixx, author of The Heroin Diaries "This is the perfect book for people who hate reading." --Tommy Lee, author of Tommyland The feedback I've gotten on Facebook and Twitter from those of you who've read this book has been fascinating, heartwarming, and hilarious. I'm happy to keep answering your questions on there, and I encourage more of you to join in the discussion. Hope to hear from you soon, and thank you all so much. Love, Steve-O

Manila is not for the faint of heart. Population: over ten million and growing by the minute. Climate: hot, humid and prone to torrential monsoon rains of biblical proportions. The ultimate femme fatale, she's complicated and mysterious, with a tainted, painful past. The perfect, torrid setting for noir. Edited by Dogsters (Penguin, 1991) author and National Book Award Nominee Jessica Hagedorn, and featuring original stories from a stunning group of multi-award-winning authors.

Nearly every American knows someone who has been affected by the opioid crisis. Addiction is a trans-partisan issue that impacts individuals from every walk of life. Millions of Americans, tired of watching their loved ones die while politicians ignore this issue. Where is the solution? Where is the hope? Where's the outrage? Ryan Hampton is a young man who has made addiction and recovery reform his life's mission. Through the wildly successful non-profit organization Facing Addiction, Hampton has been rocketed to the center of America 's rising recovery movement\u2014quickly emerging as the de facto leader of the national conversation on addiction. He understands firsthand how easy it is to develop a dependency on opioids, and how destructive it can quickly become. Now, he is waging a permanent campaign to change our way of thinking about and addressing addiction in this country. In American Fix, Hampton describes his personal struggle with addiction, outlines the challenges that the recovery movement currently faces, and offers a concrete, comprehensive plan of action towards making America 's addiction crisis a thing of the past.

NATIONAL BESTSELLER - ECPA BESTSELLER - The husband and wife behind the popular Earls Family Vlogs share their inspiring love story of how an expedition to climb Mount Everest deepened their faith, strengthened their commitment, and sharpened their vision to make a difference in the world. As a senior at West Point, Harold Earls dreamed of summiting Mount Everest after graduation and bringing awareness to the issue of PTSD in soldiers and veterans. But as a novice mountain climber and newlywed, could he really leave his wife, Rachel, on the other side of the world to pursue such a dangerous quest? After all, Rachel's dream was to be a wife and mother. She knew that her husband's audacious goal might lead to her to give up everything. A Higher Calling takes us on a beautiful journey through the ups and downs of their relationship, from their unlikely introduction and whirlwind romance to their fairy-tale wedding and the dreams they shared. Dreams that required tremendous sacrifice and faith\u2014in each other and in God. As their dreams are realized, witness how Harold and Rachel used their powerful bond of love to overcome obstacles and learn that life is about doing versus having, serving versus getting, being versus wanting. A Higher Calling shows each of us that when God's purpose and our passion meet, we can transcend any sacrifice we make on the mountains of adversity. And as we approach life with an attitude of thanksgiving, we realize that being joyful and living in love is worth it. Every time.

In Discovering the Mind of Women husbands learn to understand their wives as Christ would. From this point they learn to respond to their wives in a consistent Christlike manner. A radically transformed and renewed marriage is the result. Drawing from his own story and the stories of husbands whose marriages were dissolving, Ken Nair reveals major problems in life and marriage. After discussing the problems, he reveals relationship altering concepts which not only will revive a marriage, they will radiate throughout couple's lives as well.

Starting a NASCAR team is hard work. Starting a NASCAR team as an African American is even harder. These are just a few of the lessons learned by Leonard T. Miller during his decade and a half of running an auto racing program. Fueled by more than the desire to win, Miller made it his goal to create opportunities for black drivers in the vastly white, Southern world of NASCAR. Racing White Black chronicles the travails of selling marketing plans to skeptics and scraping by on the thinnest of budgets, as well as the triumphs of speeding to victory and changing the way racing fans view skin color. With his father\u2014former drag racer and longtime team owner Leonard W. Miller\u2014along for the ride, Miller journeys from the short tracks of the Carolinas to the boardrooms of the "Big Three" automakers to find out that his toughest race may be winning over the human race.
