The AN/VLQ-35 Counter Remote Controlled Improvised Explosive Device (RCIED) Electronic Warfare (CREW) Duke system features superior protection performance, low power consumption, user friendly operation, MIL-STD-810F compliant and can be used in varying temperature conditions.

Counter-IED Measures: Electronic Warfare | Counter-IED Report

Units represented in this manual are intended for indoor use only. Be sure the location chosen has a floor or counter strong enough to support the total weight of the units. Reinforce the floor or counter if necessary to provide for maximum loading. For the most efficient operation, be sure to provide good air circulation inside and out.
